# “LAUNCH OF CLICK’O’IST”- TRAVEL MAGAZINE

**Date:** 6<sup>th</sup> December 2022

Click ‘O’ Mania, The Photography Society of Vivekananda College printed its very first Travel magazine Click’o’ist recently. The travel magazine is an amalgamation of photos of places from across India complemented with shayaris, poems, quotes, and historical anecdotes. It’s an original Click ‘o’ Mania creation which is like a travel portal coupled with a tour guide like experience that shares with you all the untold narratives. This travel magazine, I would say, is very personal- it's like a memoir of all the places visited by the photographers of Click ‘o’ Mania. It exposes their favourite parts of their trips, their hideaways and their outlook of the world. The content writers upon witnessing those expressive photographs had a thousand stories and interpretations welling up inside of them, just waiting to be penned down. Using an amalgamation of self-written poems, shayaris, song lyrics and quotes, the content team illustrated upon the untold history of different parts of India and the photographer's standpoint while covering them. The graphic designers, then, skilfully sewed together the photos and the tales behind them into this work of art.
