VIVEKANANDA COLLEGE(University of Delhi): VIVEK VIHAR, DELHI - 110 095

Office Note Date-30.07.2021

The College has a pre-paid nextra broad band connection with Customer ID 2136201 which was activated on 19.07.2019. Its validity is going expire on 31.07.2021. The NEXTRA has sent a message on registered Mob. No. I.e. 9810693946 (Principal) to recharge top-up with Rs.4240.92(R/O Rs.4241/-) on or before 31.07.2021 to continue the services.Print of message attached here with.

The amount Rs.4241/- is for recharge of 8 (6 + 2) months validity. A recharge of Rs.4307/- for 9 (6+3) months validity is available now. Accordingly Rs.65/- is to be paid extra for 1 month extra validity. So, the recharge of Rs.4307/- for 9 (6+3) months validity is more beneficiary.

The recharge through NEFT is very lengthy and takes approx. 10 days in updation of account(connection). So,it is proposed that Mr. Naresh Kumar will pay Rs.4307/- online using his personal debit card and will take re-imburse from College.

If agreed, may allow Mr. Naresh Kumar to recharge the nextra connection ID 2136201 online for Rs.4307/- using his personal debit card and re-imburse the said amount to him from College to continue the seamless services of above said connection.

Submitted please.

Date-24.08.2021

The recharge of broad band connection does not cover under GeM. The NEXTRA Broad Band does not provide GST details (breakup of payment- taxable amount and GST) on recharge and GST TDS is not applicable in this situation. The NEXTRA Broad Band does not provide undertaking also for GST.

All the procedure of GFR-2017 and amendments, GeM and GST has been followed and completed in all respect in this regard.

May allow to pay Rs.4307/- to Mr. Naresh Kumar as re-imbursment of payment to NEXTRA Broad Band.

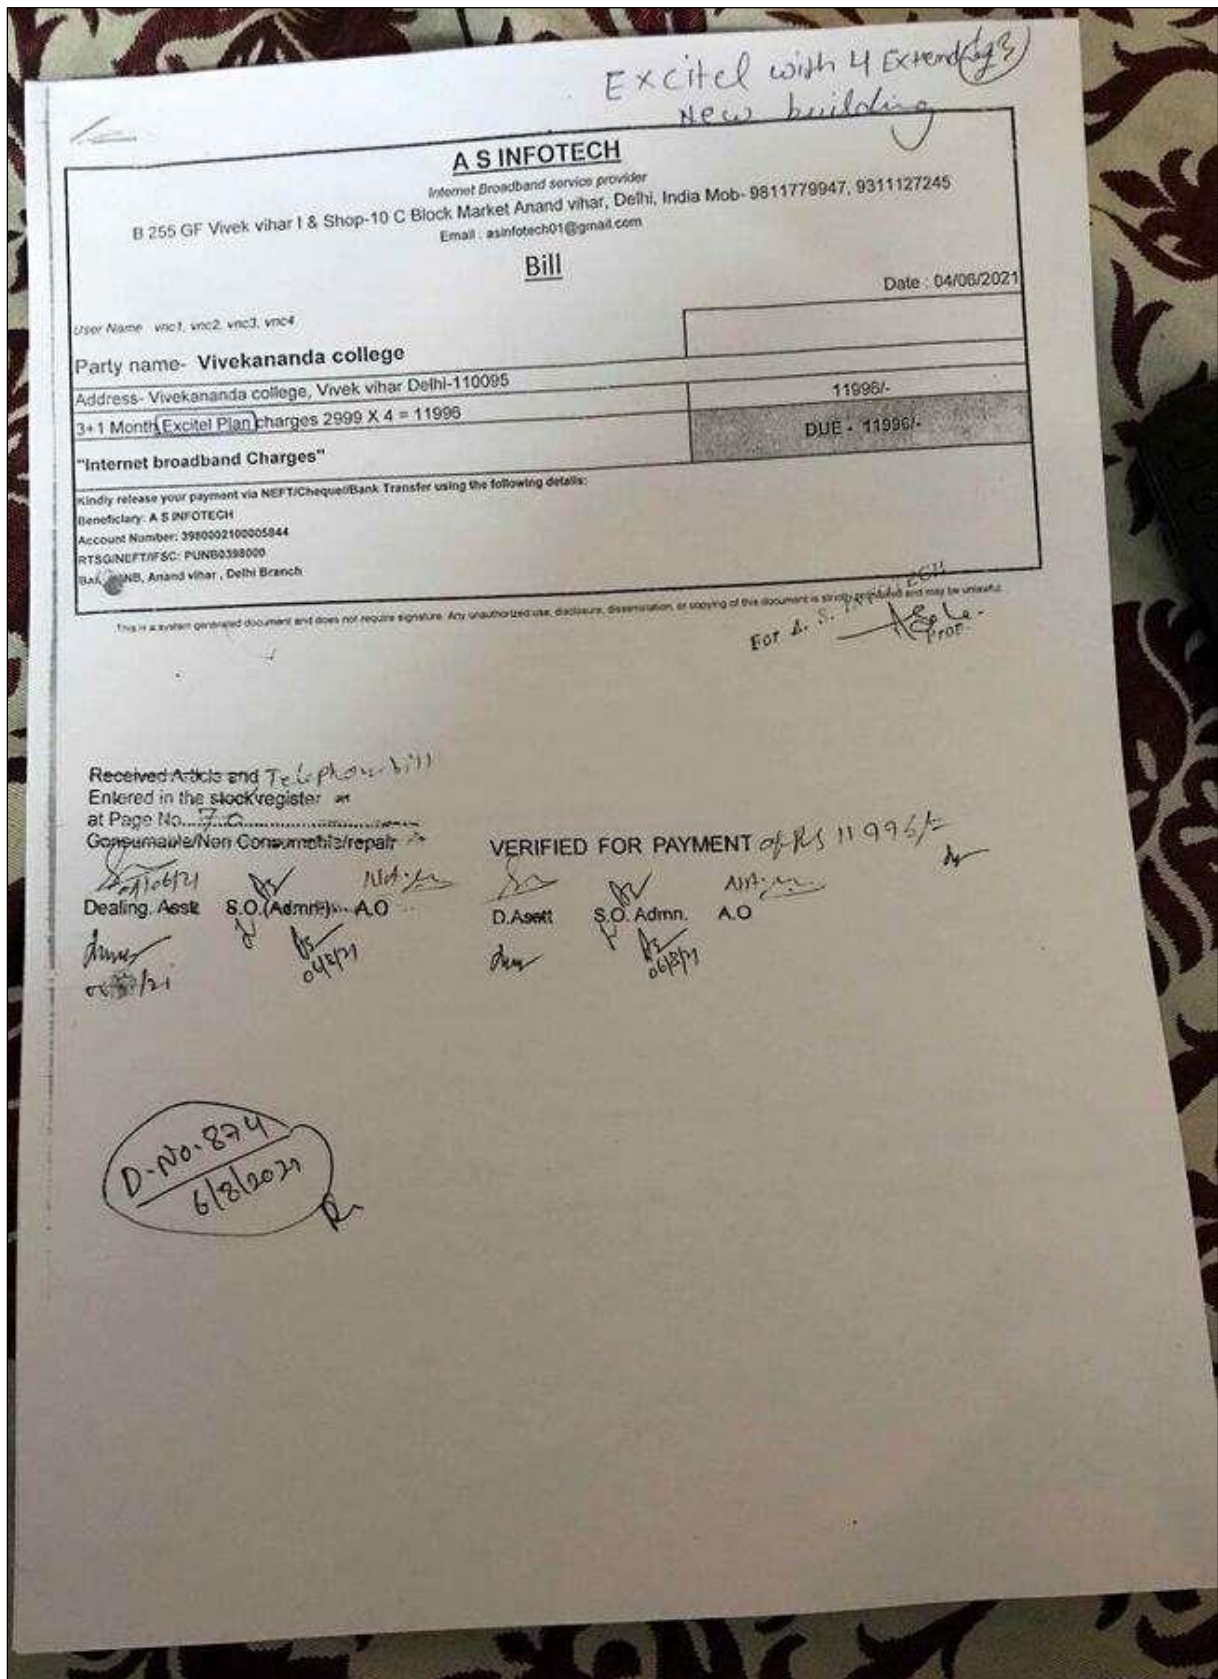

Submitted please.

REPORT

A Webinar Series by The Department of Food Technology & Home Science, Vivekananda College

Webinar Series 01 Title – Millets: The Super Crop

Date: 25th August, 2022

Time: 2:30 to 4:00pm

Department of Food Technology and Home Science, Vivekananda College organized its first webinar on the theme “Millets: The Super Crop” in the light of *International Year of Millets – 2023*. The objective of this webinar series was to sensitize people about millets and its health benefits and to promote consumption of millets on larger scale. Consumption of millets can help to promote food and nutrition security.

The speaker of the event was Dr. CV Ratnavathi – Director (Acting), Indian Institute of Millets Research (ICAR). She had shared her most valuable knowledge with the participants. A total of 195 delegates registered for the webinar including students, faculties and industry experts across the country using the registration link: https://docs.google.com/forms/d/e/1FAIpQLSe6DTyTy1XynUYiHixtq2WwRabVS4YgIT1SEy8Iooc4RehSnA/viewform?usp=sf_link.

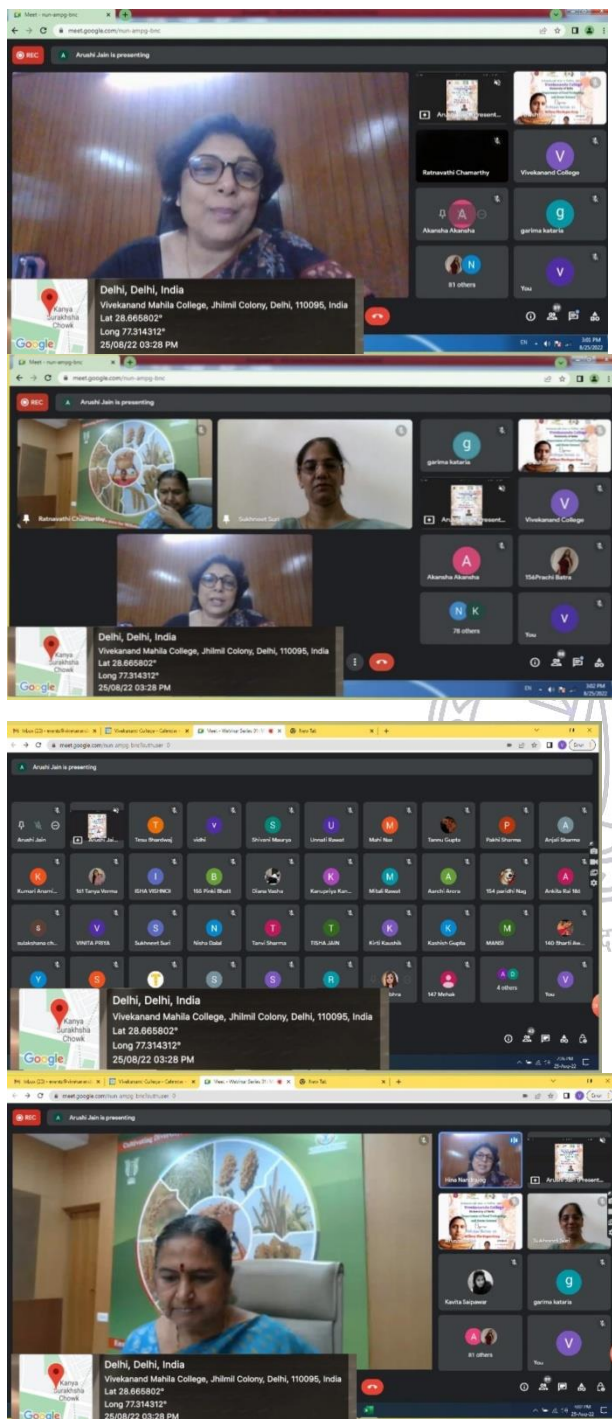

The webinar was conducted on the online platform i.e., Google meet through the link [Meet \(google.com\)](#). A total of 127 of participants attended the webinar including students, research scholars and some were the faculty member from various institutions across the country. The webinar was conducted under the guidance of Dr. Hina Nandrajog (Offg. Principal), Dr. Sukhneet Suri (Convenor & TIC), Dr. Arushi Jain (Teacher Coordinator). Student volunteers of the college, played a proactive role in organizing this webinar.

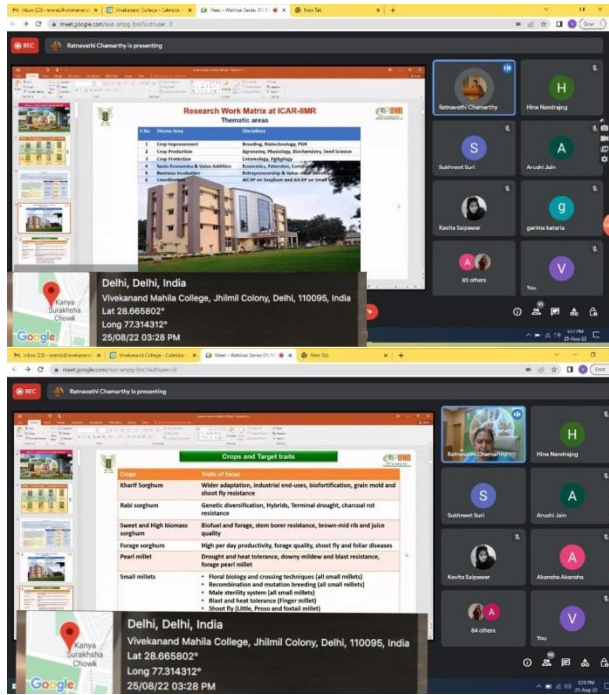

The key messages communicated were: Millets has been termed as the nutri-cereal by the Government of India (GoI) and Smart Crop by International Crops Research Institute for the Semi-Arid Tropics (ICRISAT) because of their various health benefits such as they have anti-diabetic properties, anti-cancer properties, anti-hypertensive, suitable in celiac disease, beneficial in treating stomach ulcers and gall stones, beneficial in treating allergic reactions, prevent and reduce obesity etc. Millets can be used as/in food, feed, fodder, fuel and health. Various value-added food products – ready to eat (RTE) and ready to cook (RTC) have been developed and consumed by the people but in less numbers because of lack of awareness such as muruku, laddu, puffs, biscuits, bakery products, semolina, pasta, multi-grain atta etc. Millets also plays a vital role in achieving several sustainable development goals such as Goal 02: Zero hunger, Goal 03: Good health and well being and Goal 13: Climate action. The year 2018 was celebrated as the ‘National Year of Millets’ with a motto ‘Nutricereals for Nutritional Security’ and the year 2023 is fully dedicated to the millets worldwide and will be celebrated as ‘International year of Millets’.

The webinar ended with an interactive session and a vote of thanks delivered by Dr. Arushi Jain. The overall feedback of the participants was collected via feedback form circulated online for which the link was:

https://docs.google.com/forms/d/e/1FAIpQLSe6DTyTy1XynUYiHixtq2WwRabVS4YgIT1SEy8Iooc4RehSnA/viewform?usp=sf_link. A positive feedback was received by the participants who attended the webinar.

4. College Website

The website committee launched the new website of the college on 13.03.2023 in the online mode. Chief Guest of the event was Prof. Balram Pani (Dean of College, University of Delhi). He launched the website through google meet at 12.30 pm. (<https://meet.google.com/eca-miwu-piy>).

Having a strong online presence is essential for any institution in the digital age. The committee worked arduously to get a new website made. It took a lot of effort to conceptualize and visualize the same. An updated website was jointly envisaged very carefully with clearly organised information including all the directives and mandatory requirements given by the UGC and the University of Delhi. A detailed framework keeping in accordance with the NAAC metrics was developed. From the selection of appropriate images, organisation of relevant information in each tab, highlighting the advancements and achievements of the college, due representation to students activities, seeking required, verified information, and the final layout of the website - the dedication and perseverance of our committee has made this day possible.

The website has been designed with our young techno-savvy generation in mind. Great care was taken to ensure that the site is user-friendly, easy to navigate, and provides all the information quickly that our students need to make informed decisions about the college and its facilities etc.

One of the key features of our new website is its responsive design. This means that the site is optimized for viewing on a wide range of devices, including desktops, laptops, tablets, and smartphones. This will enable everyone to access our website from wherever they are, whenever they want, using whichever device convenient for them. Maintaining a dynamic website means that the committee will continue to add and revamp information on a routine basis.

In addition to these features, our new website also includes a range of other enhancements, such as faster load times, streamlined information, and more detailed information about college and activities. We believe that these improvements will help to provide a better experience to all.

6. Online Library Resources

Link to library website:
<https://sites.google.com/vivekanand.du.ac.in/vivekananda-college-library/home?pli=1>

- Many CD's are available in the library for reference. College has access to a large number of online electronic information resources, such as bibliographic databases and electronic journals. These are available through e-Shodhsindhu (ESS of Inflibnet) through Delhi University Campus network. Now it is accessible remotely also.
- Library is a member of NLIST programme of the INFLIBNET to provide off site access to various e-journals and e-books etc.
- Library is also a member of DELNET for Inter Library Loan and e-resources.

Kindly click the links given below in order to access them.
