### 49. Manya Pahwa from B.A. (P) Economics pursuing MSc. Economics, Shiv Nadar University

**School of Humanities and Social Sciences**

**Offer of Admission to M.Sc. Program in Economics, 2023**

**24 July 2023**

Dear Manya,

We are pleased to inform you that you have been selected for admission to the M.Sc. program in Economics at the School of Humanities and Social Sciences, Shiv Nadar Institution of Eminence.

A warm welcome and congratulations on your selection. The two-year master's program in Economics is a top-tier post-graduate program in Economics in India. The admitted students will receive training within an active and thriving research environment, supported by faculty members working at the forefront of research in their respective fields. Recently a number of new faculty members have joined the department as the department continues to grow in strength. A list of the faculty members and relevant information about the department can be found on the department website. The curriculum imparts a theoretical foundation with a strong emphasis on applications and hence a solid grounding in quantitative methods and econometrics. The students who are accepted in the program receive rigorous training in tools of economic analysis which enable them to contribute creatively and meaningfully to academia, the corporate sector, the social sector, or spheres of policymaking.

The master's program involves the successful completion of 16 courses (8 compulsory and 8 electives). Additionally, in Semester I, students are required to pass a course on Programming (i.e., this will be graded 'satisfactory' or 'unsatisfactory' and will not receive a letter grade).

The first-year coursework (Semesters I and II) consists of 7 compulsory courses, the course on Programming (as mentioned above), and 1 elective course. The compulsory courses include courses on Microeconomics, Macroeconomics, Statistics, Econometrics, and Mathematical Economics. The second year (Semesters III
