1. “TIRANGA YATRA” AND “INDIA THROUGH YOUR LENS”**Date: 16th August 2022**

On the occasion of 75 years of India’s Independence, an online inter-college Photography Competition was conducted called “India through your lens”. The themes for the competition were Mystic India: Reflection Photography; Unique India: Surrealist Photography and Flavours of India: Flatley Photography. Out of the 27 entries received, 3 winners were chosen. Apart from this, Click ‘O’ Mania also covered and participated in the ‘Tiranga Yatra’ organised by University of Delhi at North Campus. The society also set up a display board showcasing the photographs clicked by the members of the society. The objective of the aforementioned board was to portray the different shades of India.

3. “LAUNCH_OF_CLICK ‘O’ IST”—The Travel Magazine

Date: 6th December 2022

Click ‘O’ Mania, The Photography Society of Vivekananda College printed its very first Travel magazine, Click ‘O’ Ist, recently. The travel magazine is an amalgamation of photos of places from across India complemented with *shayari*, poems, quotes, and historical anecdotes. It’s an original Click ‘O’ Mania creation which is like a travel portal coupled with a tour guide-like experience that shares with you all the untold narratives. This travel magazine, I would say, is very personal—it is like a memoir of all the places visited by the photographers of Click ‘O’ Mania. It exposes their favourite parts of their trips, their hideaways and their outlook of the world. The content writers upon witnessing those expressive photographs had a thousand stories and interpretations welling up inside of them, just waiting to be penned down. Using an amalgamation of self-written poems, *shayari*, song lyrics and quotes, the content team illustrated the untold history of different parts of India and the photographer’s standpoint while covering them. The graphic designers, then, skilfully sewed together the photos and the tales behind them into this work of art.

In this workshop around thirty students participated and showed their enthusiasm to create and learn the beautiful art. Lippan Art is an Indian Artform which is being practised in Gujarat. This colorful art is also known as mud art or painting as it was primarily made on mud walls by the Gujarati women.

But with the growing time this art had moulded itself on surfaces such as canvas, mdf board or wooden boards. For the workshop students used mdf board to create this art. The Lippan art finally made by students came out as wonderful art piece. The art was made into vibrant colour and of various shapes and unique designs.

39. Educational Trip to Gandhi Smriti and Darshan Samiti, Tees January Marg, New Delhi by Gandhi Study Circle on 14th October, 2022.

In the month of October, 2022, Gandhi Study Circle organized an “*Educational trip to Gandhi Smriti and Darshan Samiti*”, Tees January Marg, New Delhi comprising 51 college students and the committee members. Gandhi Smriti, formerly known as Birla House, is a museum dedicated to Mahatma Gandhi where he spent the last 144 days of his life before his assassination on 30th January, 1948 at the same location. The bus carrying the enthusiasts reached the venue at 12 noon where they were greeted and divided into two groups of 25 students each by the two tour guides. The students were first taken to the Martyr’s Column, the spot where Mahatma Gandhi was shot dead. Then the students were taken to the prayer area where Gandhiji would offer his daily prayers. The area and its walls were painted with stories from Mahatma’s life which appeared like a motion picture on Gandhi’s life. The students were then directed to the multimedia section of the museum which was prepared and designed from the funds of Indian Government in 2005. The audio-visual technologies used to portray Gandhi’s life and his teachings left an indelible mark on the psyche of the students. Later, the students were headed towards the library which showcased the books of authors Gandhiji would read and his personal belongings. The trip was very successful in many respects as the students took away many lessons home from Gandhi’s life and struggles and were left in awe of this great soul who ever walked on this earth. Students were also provided refreshment on the way.

On the 12th of January, 2023 Enactus Vivekananda College under the guidance of Dr. Sandhya Jain, Convenor and Dr. Shafaq Zareen, Faculty Coordinator set up its Tote Bag Stall under our new project, Project Tarakki on account of Vivekananda Jayanti and acted as an energizer to the event organised by Vivekananda College. This time the theme of annual cultural fest was "Adbhut Bharat" where in team enactus put a stall of tote bags from the small-scale vendor so as to promote them to step outside from their regular platform for the same. To the surprise, there was enthusiasm among the college individual to buy the tote bags because of their beneficial trending demand. Further, the stall of the team enactus earned enough amount of profit out of it, which would be used soon so as to take up pad drive at nearby area of the college. Thus, the event was a great success with the joint efforts and support of our Officiating Principal, Team Enactus, Teachers, College Staff and Students.
