### 1. Mindfulness-Based Strategies for Career Success

#### Introduction:

The objective of the seminar titled "Mindfulness-Based Strategies for Career Success" was to explore the application of mindfulness in enhancing professional growth and success. Dr. Tushar Singh, an esteemed psychologist and Assistant Professor at the Department of Psychology, Banaras Hindu University, served as the guest speaker for the event. With his extensive experience in teaching, research, and training, Dr. Singh was well-positioned to share valuable insights and strategies on the topic.

#### Event Proceedings:

The event commenced with a brief introduction by the hosts, Shruti and Aditi, highlighting Dr. Tushar Singh's academic and professional achievements. They emphasized his expertise in the field of psychology and his significant contributions to research and teaching. The hosts then invited Dr. Singh to take the stage.

Dr. Singh began his presentation by providing an overview of mindfulness, as defined by the American Psychological Association (APA). He explained that mindfulness entails a moment-to-moment awareness of one's experiences without judgment. It involves being fully present and attuned to one's thoughts, emotions, and surroundings. Dr. Singh emphasized that mindfulness is a state that can be cultivated through practice, rather than a fixed trait inherent in individuals.

#### The Importance of Mindfulness in Career Success:

Dr. Singh highlighted the relevance of mindfulness in the context of career success. He explained that being mindful allows individuals to observe and understand their own thoughts, emotions, and reactions in various professional situations. By cultivating mindfulness, individuals can identify their habitual patterns and develop the necessary skills to enhance their performance. Mindfulness helps individuals become more attentive, focused, and resilient, enabling them to make better decisions, manage stress effectively, and build stronger professional relationships.

#### Strategies for Cultivating Mindfulness:

Dr. Singh delved into various strategies for cultivating mindfulness in the pursuit of career success. He emphasized the importance of self-awareness and encouraged participants to engage in introspection to understand their strengths, weaknesses, and aspirations. Dr. Singh guided the audience through mindfulness exercises, such as breath awareness and body scans, to promote present-moment awareness and self-reflection.

Furthermore, he emphasized the role of meditation and mindfulness practices in developing attentional control and emotional regulation. He introduced participants to different meditation techniques, including focused attention and loving-kindness meditation, and highlighted their benefits in reducing stress and enhancing overall well-being.

#### **Q&A Session and Conclusion:**

Following the presentation, a lively question and answer session took place, allowing participants to seek clarification and delve deeper into the topic. Dr. Singh addressed queries regarding the practical implementation of mindfulness in various professional domains, such as healthcare, education, and business.

The event concluded with a vote of thanks to Dr. Singh for his enlightening session and to the organizing committee for their efforts in arranging the event. Participants expressed their gratitude for the opportunity to learn from an expert in the field and left the venue inspired to integrate mindfulness into their career journeys. The event served as a catalyst for personal and professional growth, empowering attendees to embark on a mindful path to success.

## **2 . Acid Attack: Trauma and Coping**

### **Introduction:**

The seminar on "Acid Attack: Trauma and Coping" held at Vivekananda College, University of Delhi, aimed to shed light on the distressing issue of acid attacks and its psychological impact on survivors. The event, organized by the Applied Psychology Department, sought to create awareness, provide insights, and discuss strategies for supporting acid attack survivors in their journey towards recovery and empowerment.

### **Session 1: Opening Remarks and Welcome**

The seminar commenced with a warm welcome by the host, who highlighted the alarming increase in gender-based violence, particularly acid attacks, in India. The host emphasized the need for collective effort

orts to address this issue and introduced the guest speaker, Dr. Shalini Mittal, Assistant Professor at the School of Liberal Arts, Bennett University.

### **Session 2: Keynote Address by Dr. Shalini Mittal**

Dr. Shalini Mittal began her keynote address by expressing her gratitude for the opportunity to discuss this critical topic. She provided an overview of her background in teaching, research, and advocacy, emphasizing her work with acid attack survivors and other victims of crime. Dr. Mittal highlighted the psychological trauma endured by acid attack survivors, including the physical pain, emotional distress, and socio-economic challenges they face.

### **Session 3: Understanding Acid Attacks and Trauma**

In this session, Dr. Mittal delved deeper into the topic, presenting a comprehensive understanding of acid attacks and their traumatic consequences. She discussed the prevalence of acid attacks in India, citing statistics from the National Crime Bureau (NCRB) and emphasized the need for a holistic approach encompassing medical, legal, and psychological support for survivors.

**Session 4: Coping Strategies and Rehabilitation**

Dr. Mittal shared her research findings on the coping strategies employed by acid attack survivors. She highlighted the importance of social support, rehabilitation programs, and counseling services in facilitating survivors' recovery and empowerment. Drawing from her qualitative research, she presented compelling case studies that showcased the resilience and determination of survivors in overcoming adversity.

**Session 5: Legal and Socio-Economic Challenges**

This session focused on the legal and socio-economic hurdles faced by acid attack survivors. Dr. Mittal shed light on the legal frameworks in place to address acid attacks and the gaps that still exist. She discussed the financial implications of such attacks and emphasized the need for improved access to justice and economic opportunities for survivors.

**Session 6: Q&A and Interactive Discussion**

The seminar concluded with an engaging Q&A session, allowing the audience to seek clarification and share their perspectives. Participants raised thought-provoking questions on the role of society in combating acid attacks, the importance of education and awareness, and the need for stricter legal measures. Dr. Mittal provided insightful responses, encouraging a dialogue on possible solutions and avenues for further research.

**Conclusion:** The seminar on "Acid Attack: Trauma and Coping" provided a platform for academic discourse, awareness, and dialogue on a pressing issue that affects countless individuals in India. Dr. Shalini Mittal's expertise, research, and advocacy efforts shed light on the psychological impact of acid attacks and highlighted the importance of a holistic approach to support survivors. The event successfully fostered a sense of empathy, education, and empowerment among the attendees, encouraging them to take action and contribute to a more inclusive and compassionate society.

The seminar concluded with a vote of thanks to Dr. Shalini Mittal, the organizing committee, the guest speakers, and all the participants for their valuable contributions. The event served as a catalyst for change, inspiring individuals to work towards a world free from the scourge of acid attacks and violence against women

### 3 Policy Parley

The core members of department of economics thought of an idea to conduct an event for the discussion of policy on the occasion of India's Presidency in G20 with 4 major objectives i.e.

**Student Coordinators:** Divyanshi, Mehak, Mehak Baid, Mitali Jain

On October 21, the students of B.A. (Programme), Department of Food Technology and Home Science, third Year, fifth Semester, organised a bakery sale trial in the college premises. It was done with the aim to share smiles and happiness during the festive season, the sweet treats proved to be fast selling favourites amongst both the teachers and students alike.

During the sales, a total of three different bakery products were sold: icebox cookies, chocolate chip cookies and naan khatai biscuits. The products were prepared by the students in the college premises within the college timings itself.

Students showcased remarkable work ethics and dedication as they perfectly worked through all the steps of manufacturing bakery products. From conducting market surveys and scouting for quality and affordable ingredients to calculating nutritional information and cost of production, baking the actual product and packaging it into labelled boxes, the students managed everything under the careful guiding hands of teacher coordinator Dr. Arushi Jain.

The schedule for the preparation and production of bakery products was as follows:

1. Chocolate Chip Cookies

Production: 17, October

Packaging: 18, October

2. Ice Box Cookies

Production: 18, October

Packaging: 19 October

3. Nan Khatai Biscuits

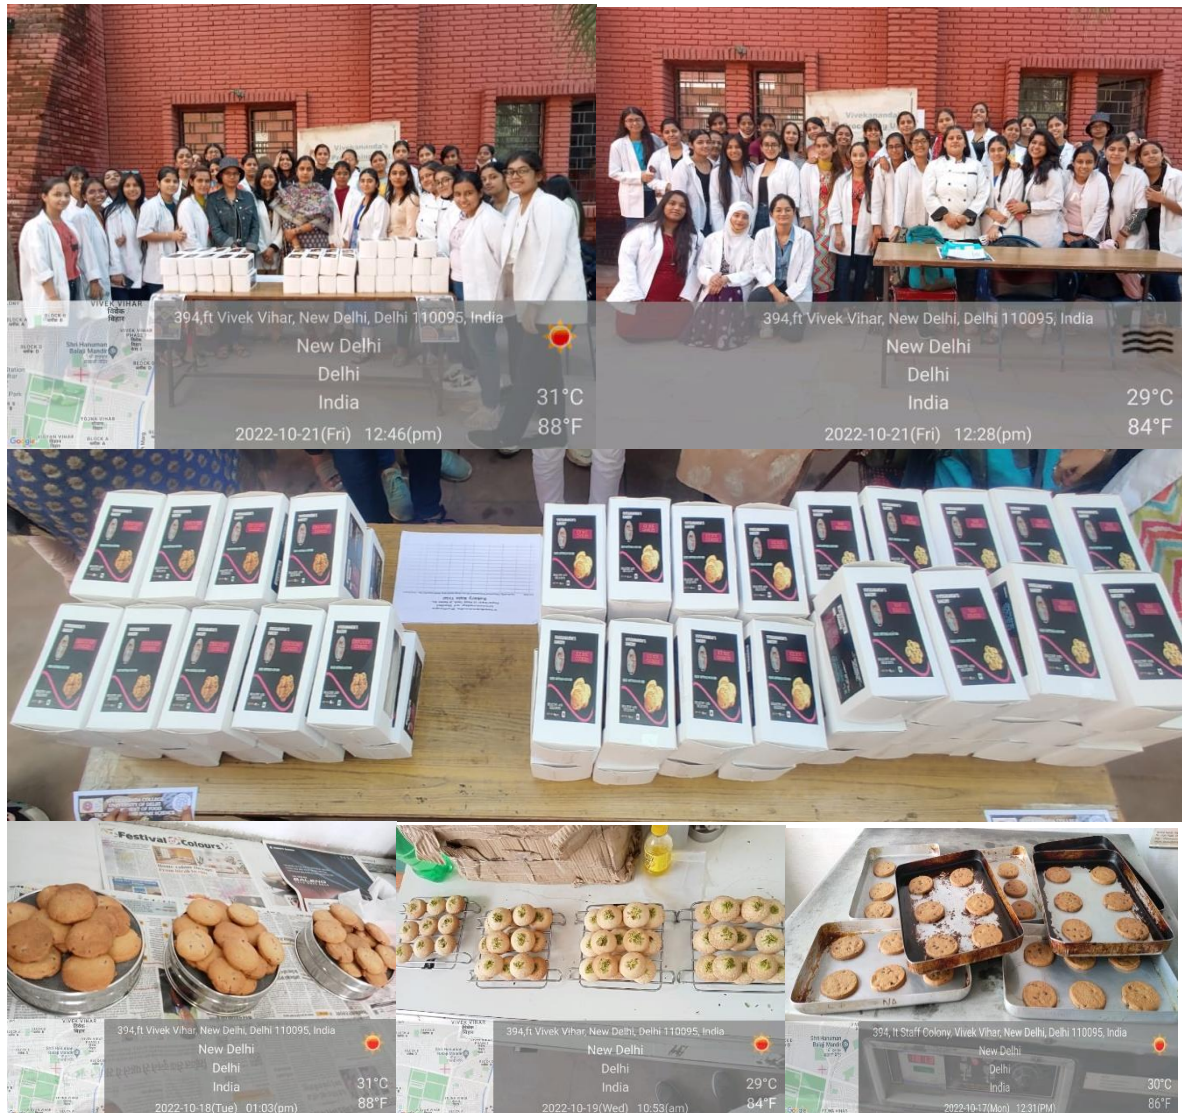

Production: 19 October

Packaging: 19 October

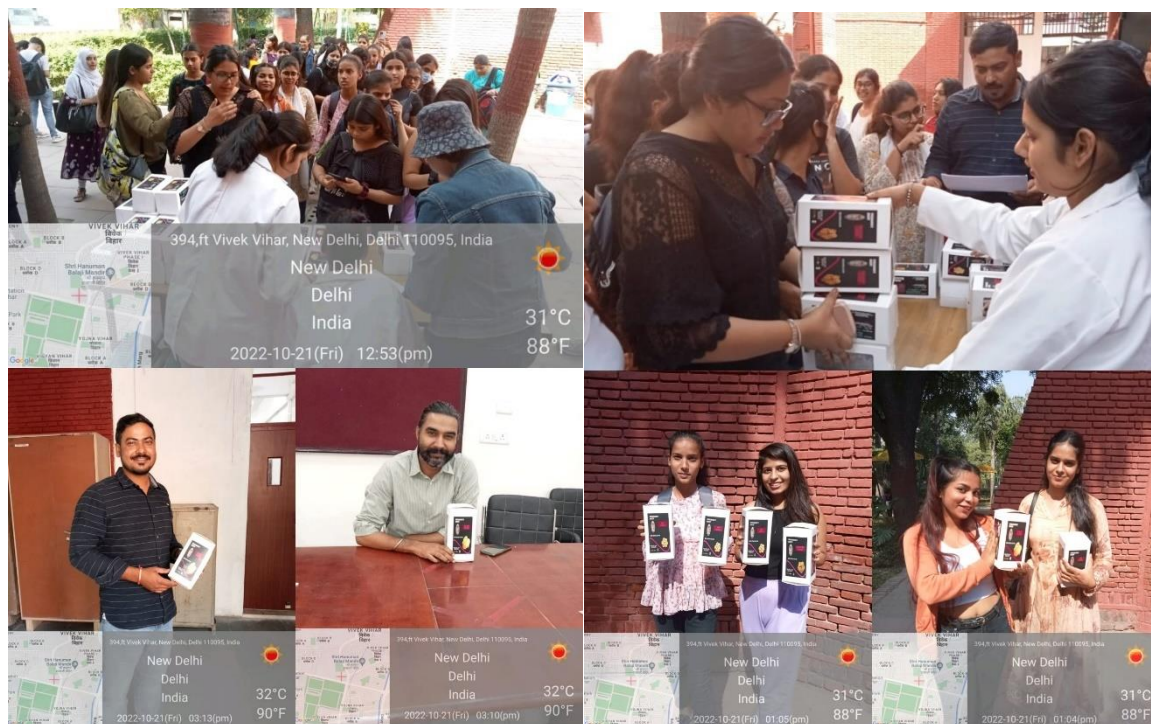

The department also bagged sponsorship from Avon Pacfo Pvt. Ltd. who provided all the 70 boxes required for the packaging of the cookies. The packaging was provided free of cost.

The products were all sold out within a few minutes with the customers singing praises over both the products and the organisation. Customers showed great satisfaction over the choice of products being generally favoured and well liked. The precise and professional packaging was also liked by the customers a lot.

The initial cost of production was covered by raising donations by the students of B.A. Prog., food technology, fifth semester, which collected a total of Rs. 1630 (One thousand six hundred and thirty). Total money gained during the sale of 65 boxes amounted to a total of Rs. 1630 (One thousand six hundred and thirty).

## 7 National Level Recipe Contest: Create a Food Product using Millets

### **National Level Recipe Contest : Create a Food Product using Millets**

#### **Dr. Sukhneet Suri (Convenor) and Dr. Arushi Jain (Teacher Coordinator)**

The event was held to augment the celebrations of DU Centenary Celebrations, Azadi ka Amrit Mahotsav, International Year of Millets 2023 and Poshan Maah 2022. A total of 61 students participated in National-level recipe contest. Students from Lady Irwin College, **Vivekananda College**, Lakshmi Bai College, Daulat Ram College, Lord Krishna College of Education and Impact paramedical and health institute participated in this virtual event. The students shared the recipes, image of the step-by-step process of the prepared product made along with product details in an online google form link shared with them.

(<https://forms.gle/s6ondY7cGi797UQi8>)

The event was judged by experienced faculty and experts from food industry.

Ms. Kajal Kumari of Lakshmi Bai College got the first prize for the recipe contest and Ms. Vidhi Attri from Lakshmi Bai College got the second prize in the recipe contest. Ms. Aarchi Arora from Vivekananda College got the third prize in the recipe contest. E-certificates were given to all the participants and prize certificates were given to the position holders.

The photographs below will provide a glimpse of the recipes of the prize winners:

 A close-up photograph of a Ragi Kabab Wrap. The wrap is made of a dark, textured ragi flour and is filled with a mixture of ground meat, vegetables, and spices. It is garnished with fresh green herbs and served on a black plate. A yellow sign with the text "RAGI KABAB WRAPS" is visible in the background.	 Three small, round tarts with a dark, textured crust. The tarts are filled with a smooth, purple-colored filling, likely made from purple sweet potatoes or similar ingredients. They are arranged on a white plate.
First Prize (Ragi Kabab Wraps)	Second Prize (Healthy Tarts)
 A square-shaped panacotta dessert made from millet. It is served in a black square dish and is garnished with fresh green herbs and a small amount of red sauce. A bunch of green grapes is visible in the background.	 Three small, round tarts with a dark, textured crust. The tarts are filled with a smooth, purple-colored filling, likely made from purple sweet potatoes or similar ingredients. They are arranged on a white plate.
(Millets Panacotta)	Third Prize

## 10 Documentary on “Babies”

### Report

#### \Department of Food Technology and Home-Science

#### January 23, 2023, Sharda Hall, Vivekanand College

The Department of Food Technology and Home Science, Vivekananda College organized an academic event in which a documentary named ‘*Babies*’ directed by *Thomas Balmes*, was showcased for the students of the college. The event was organised on 23<sup>rd</sup> January 2023, Monday at Sharda Hall, Vivekananda College, University of Delhi. Registration for the event was opened a week before and registered students were allowed inside the Sharda Hall of Vivekanand college. The evening before the event, the venue was properly and aesthetically getting prepared for the event. Then on the day, all preparations touched their final phase an hour before the commencement of the programme. The bulletin board of the venue embraced pictures which accentuated the theme for this academic event i.e. contextual influence on the holistic development of children in their early years of life. The event commenced at 11.00 am when registered students started arriving. Near the entrance of the venue, a beautiful Rangoli graciously welcomed the faculty and the students. At the entrance, the students marked their attendance for the programme and then they were well-seated inside the Sharda Hall. There were around ninety-six students present at the venue as indicated from the attendance sheets. With the arrival of honourable Principal madam Dr Hina Nandrajog arrived and all the invited faculty namely Dr Anita Kant (Associate Professor retired, Department of Applied Psychology) and Dr Salma Seth (Associate professor, Department of Applied Psychology) along with Dr Sukhneet Suri (Associate Professor and Teacher In-Charge, Department of Food Technology and Home-Science) programme commenced. The audience was then welcomed by Ms Ridhi Sood (Guest faculty and organiser of the event, Department of Food Technology and Home-Science. Soon after, the guests were called upon the stage for a lamp-lighting ceremony. This beautiful ceremony witnessed a loud round of applause from the students present in the hall. Thereafter a few students from B.Sc. (Hons.) Home-Science one by one presented self-made cards to the guests as a token of respect and gratitude for them. The guests were overwhelmed after receiving the cards and appreciated the efforts of the students. Ms Ridhi Sood invited Dr Sukhneet Suri to share golden words of encouragement. Dr Sukhneet Suri spoke on how such small experiences shape us and enable us to expand our knowledge. Dr Suri highlighted the importance of nutrition and its crucial role in the optimum holistic development of children. She ends with also encouraged students to keep learning since there is no end to knowledge. Dr Suri then invited the honourable principal ma’am Dr Hina Nindrajog to address the audience with her words of wisdom. The principal ma’am expressed how impressed and curious she was on hearing that a documentary on “Babies” was being organised by the Department of Food Technology and Home Science. Further, Dr Nandrajog pointed out a comparison that how the name of the documentary babies presents a connection with the department of home science as the department is like a baby of the college progressively spreading its wings. The principal ma’am encourages students to be passionate about learning new and meaningful things each day. After an encouraging briefing with students Dr Nandrajog left the event due to some of her prior professional commitments. Moving ahead Dr Salma Seth shared her knowledge on how the domains of human development, namely, physical, cognitive, social and emotional development help shape an infant of a few months into a meaningful human being and how all the domains of development help a person to contribute to its environment. She shared a quote from a renowned theorist Erik Erikson that conveys the significance of self-awareness and understanding others from their sociocultural context. Dr Seth emphasized the importance of the early years of a child’s life and how sociocultural setting builds a niche for the holistic development of an individual. Hereafter, Ms Ridhi Sood gave a preface of the documentary so that it can set a thoughtful stage for the audience to make a better connection with the experience of watching the documentary and meaning-making. Shortly after the preface, the documentary was screened through the projector. After 30 minutes of screening, the documentary was paused. To make the event more interactive, the audience was asked to give their reflections and observations and ask questions related to their experience with the documentary up till now. The audience was able to relate to the documentary and could understand what was going on, even though the documentary had no dialogue or any conversation between

the characters. The screening continued after the discussion and in between refreshments were also being distributed to all the students and the guests. Once the documentary was over, there was huge applause and happiness on everyone's faces. Hereafter Dr. Anita Kant was called on stage to share her experience and views on the documentary. Very elegantly and beautifully, she summed up the entire documentary and its experience, highlighting the important observations from the documentary. She also enlightened the audience with her knowledge that the audience wasn't quite aware of. After her speech, the guests departed from the hall. They were seen as contented and enchanted by the event and encouraged the students to organize more informative and knowledgeable events. The departure of the guests was followed by a quiz that was conducted by Ms Ridhi Sood with the students on the same documentary. The purpose of the quiz is to facilitate the students to get connected with the documentary and take back meaningful learnings with them from this academic event. Finally, the event successfully came to an end on a good note. This event by the department of Food Technology and Home Science was an edutainment interaction or we can say a fun-learning experience for all.

## 11 Importance of biodiversity and its assessment in Home Sciences

### **WORKSHOP 1: - Importance of biodiversity and its assessment in Home Sciences**

**Date of visit: - 15<sup>th</sup> September, 2022**

#### **Department of Home Science**

##### Report

On 15<sup>th</sup> September 2022, the Department of Home Science, Lakshmibai college in association with its Department of Environmental Sciences organized a workshop “Role of Life Sciences in Home Sciences”. Under this, the sub-topic was “Importance of biodiversity and its assessment in Home Sciences”. The students of Vivekananda college visited Lakshmibai College to attend the workshop. There were 15 students from Vivekananda college who went to attend the workshop.

From 9 A.M. – 9:30 A.M. there was attendance and registration confirmation. The first session began from 9:35 A.M. which was given by **Dr. Savita** on the topic “Animal biodiversity and assessment tools”. Topics like classification of the animal kingdom and the economic importance of animals and insects followed by the importance of animal classification, characteristics of various phyla of the animal kingdom like: - Ctenophora, Mammals, Annelida and chordates, Aves, Reptilia, etc. were discussed. This session ended up with the discussion of tools and techniques for animal and bird diversity assessment and its’ importance. This was followed by active interaction.

After this session, around 10:45 A.M. onwards there was an inaugural session of the event, where senior faculty members and Teacher-in-Charge were present. The teacher-in-charge gave a wonderful insight which encouraged the students a lot. Then there was a short informal discussion time where the students shared their views, and some other minor topics were discussed, feedback was given, and geotag photographs were taken.

After this approx. at 11:15 A.M second session began. The resource person of the second session was **Dr. Mani Singh**. The contents of the session were plant classification, importance of classification, various terms like - systematics, taxonomy, etc., gymnosperms and angiosperms i.e., from most primitive to most advance. This session was so interesting.

After this there was a break till 2:00 P.M, then all the students went back to LT-1 where the workshop was taking place. After the break, the practical part for the same topic was started. But, unfortunately, due to heavy rain, it was not possible to go in the garden and do the practical work. So, the students had a virtual tour of the flora and fauna present in Lakshmibai College. With this the session was completed. Vote of thanks was given by students of Vivekananda College.

This report was prepared by the student participants with the help of faculty.

## 12 Carbohydrate Biochemistry: A Brief Perspective

### One Day Student Seminar “Carbohydrate Biochemistry: A Brief Perspective”

**Date: 26/8/2022 (9:00am-4:00pm)**

#### Report of Seminar

The Food Technology and Home Science Department of Vivekananda College organized a “One-day Seminar on 26<sup>th</sup> August 2022, Friday from 9:00 A.M. In the Seminar there were 16 students from our college and 9 students from another college i.e., Lakshmibai College were present. So, overall, there were 25 participants present in the seminar.

The theme of the seminar was “Carbohydrates Biochemistry”. The seminar commenced with the welcome of the first speaker i.e., **Dr. Meenakshi Vachher** by the students of Home Science(H). Carbohydrates and structure of monosaccharides, disaccharides and polysaccharides in the Fischer structure and Haworth structure were discussed. The talk was very interesting and there was active participation of all the students.

After the break of 15 minutes the talk of second speaker i.e., **Dr. Savita Bansal** was held. The speaker discussed about isomerism in the structure of carbohydrates and physical properties as well as chemical reactions. Information about anomers, optical isomerism, and various other reactions related to monosaccharides and disaccharides were discussed. There were many questions that were raised by students and many questions were asked by Dr. Savita Bansal. It was a very informative session.

Then after the break of 30 minutes from 1:45 P.M. onwards, the third speaker, i.e., **Dr. Taruna Arora** came and explained the process of glycolysis and its regulation and the function of various enzymes during glycolysis. Before coming to the main topic, she laid the foundation of the topic in a much more interesting way. The seminar got over at 4:00 P.M. with the vote of thanks to the speaker was given by the students of 3<sup>rd</sup> Year of Home Science (H).

During the seminar, attendance was recorded, and geotag pictures were taken.

This report was prepared by the student participants with the help of faculty.

### 13 Millets: The Super Crop

#### Report

Date: 25<sup>th</sup> August, 2022

Time: 2:30 to 4:00pm

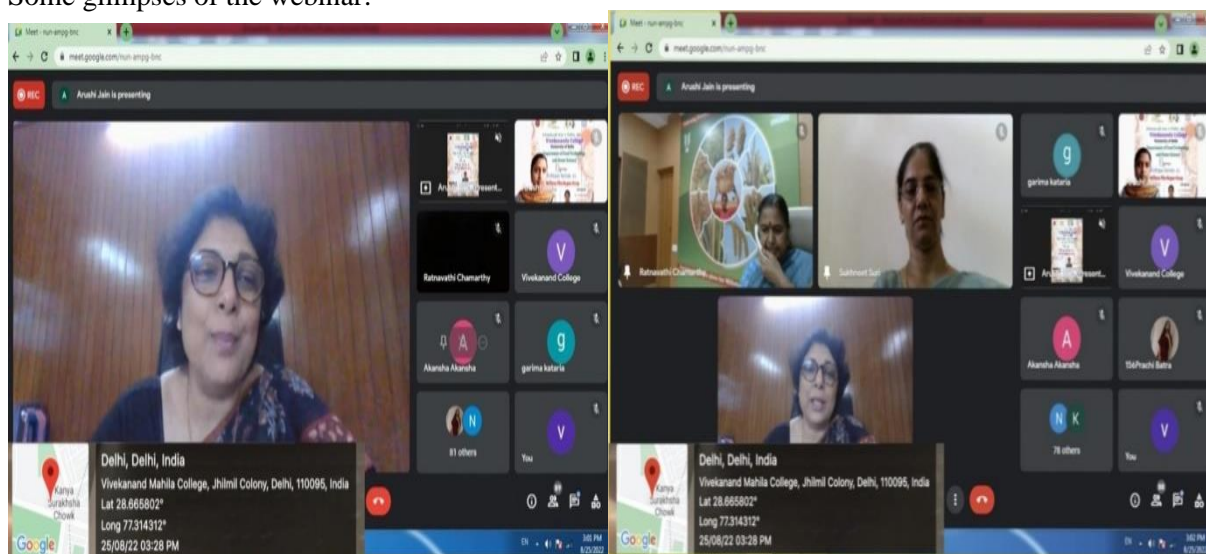

Department of Food Technology and Home Science, Vivekananda College organized its first webinar on the theme “Millets: The Super Crop” in the light of *International Year of Millets – 2023*. The objective of this webinar series was to sensitize people about millets and its health benefits and to promote consumption of millets on larger scale. Consumption of millets can help to promote food and nutrition security.

The speaker of the event was Dr. CV Ratnavathi – Director (Acting), Indian Institute of Millets Research (ICAR). She had shared her most valuable knowledge with the participants. A total of 195 delegates registered for the webinar including students, faculties and industry experts across the country using the registration link: [https://docs.google.com/forms/d/e/1FAIpQLSe6DTyTy1XynUYiHixtq2WwRabVS4YgIT1SEy8Iooc4RehS\\_nA/viewform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLSe6DTyTy1XynUYiHixtq2WwRabVS4YgIT1SEy8Iooc4RehS_nA/viewform?usp=sf_link).

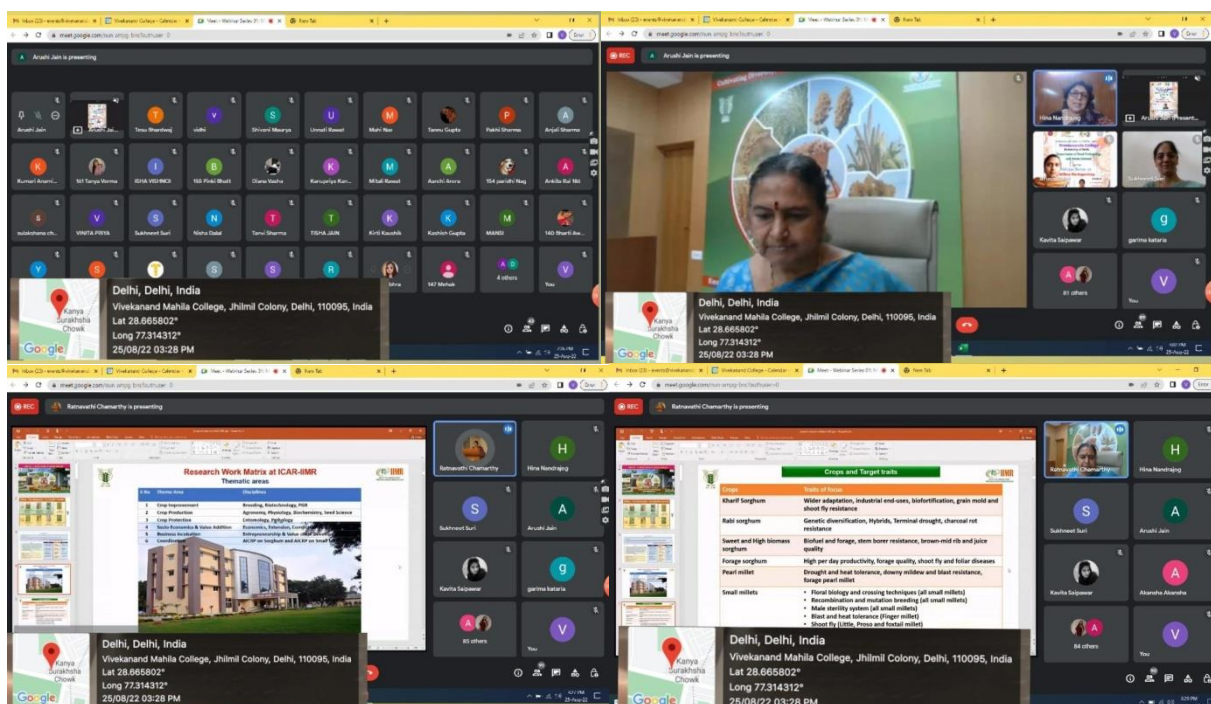

The webinar was conducted on the online platform i.e., Google meet through the link [Meet \(google.com\)](https://meet.google.com/nun-angj-dnc). A total of 127 of participants attended the webinar including students, research scholars and some were the faculty member from various institutions across the country. The webinar was conducted under the guidance of Dr. Hina Nandrajog (Offg. Principal), Dr. Sukhneet Suri (Convenor & TIC), Dr. Arushi Jain (Teacher Coordinator). Student volunteers of the college, played a proactive role in organizing this webinar.

The key messages communicated were: Millets has been termed as the nutri-cereal by the Government of India (GoI) and Smart Crop by International Crops Research Institute for the Semi-Arid Tropics (ICRISAT) because of their various health benefits such as they have anti-diabetic properties, anti-cancer properties, anti-hypertensive, suitable in celiac disease, beneficial in treating stomach ulcers and gall stones, beneficial in treating allergic reactions, prevent and reduce obesity etc. Millets can be used as/in food, feed, fodder, fuel and health. Various value-added food products – ready to eat (RTE) and ready to cook (RTC) have been developed and consumed by the people but in less numbers because of lack of awareness such as muruku, laddu, puffs, biscuits, bakery products, semolina, pasta, multi-grain atta etc. Millets also plays a vital role in achieving several sustainable development goals such as Goal 02: Zero hunger, Goal 03: Good health and well being and Goal 13: Climate action. The year 2018 was celebrated as the ‘National Year of Millets’ with a motto ‘Nutricereals for Nutritional Security’ and the year 2023 is fully dedicated to the millets worldwide and will be celebrated as ‘International year of Millets’.

The webinar ended with an interactive session and a vote of thanks delivered by Dr. Arushi Jain. The overall feedback of the participants was collected via feedback form circulated online for which the link was: [https://docs.google.com/forms/d/e/1FAIpQLSe6DTyTy1XynUYiHixtq2WwRabVS4YgIT1SEy8Iooc4RehS\\_nA/viewform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLSe6DTyTy1XynUYiHixtq2WwRabVS4YgIT1SEy8Iooc4RehS_nA/viewform?usp=sf_link). A positive feedback was received by the participants who attended the webinar. Some glimpses of the webinar:

## 14 Understanding Biochemical Pathways of Carbohydrate Metabolism

### Report of Seminar: - Understanding Biochemical Pathways of Carbohydrate Metabolism

On 09<sup>th</sup> September 2022, Friday from 9:00 A.M. onwards, the Department of Food Technology and Home Science, Vivekananda College organized a “One-day Seminar for students of Home Science (H) third year. In the Seminar there were 12 students from Vivekananda College and 11 students from another college i.e., Lakshmi Bai College. Overall, there were 23 participants present in the seminar.

The theme of the seminar was “Understanding Biochemical Pathways of Carbohydrate metabolism”. The seminar commenced with the welcome of the first speaker i.e., **Dr. Meenakshi Vachher** by the students of Home Science(H). The first Speaker talked about the “Gluconeogenesis pathway” in detail. She discussed about the importance and need for gluconeogenesis in our body and name of the enzymes involved in this process, and other key terms related to the pathway. This session was very interesting. There was active participation of all the students, and they tried to make the session interesting by grasping the content.

After the break of 45 minutes second speaker i.e., **Dr. Taruna Arora** discussed about “glycogenolysis and control of blood sugar level”. The process of glycogenolysis and the role of insulin and various other enzymes, as well as the process behind blood sugar level control were also discussed. There were many questions that were raised by students and many questions were asked by Dr. Taruna Arora. It was an informative session.

Then after the break of 15 minutes from 2:00 P.M. onwards, the third speaker, i.e., **Dr. Bhupender Kumar** discussed about “oxidation of pyruvate and Citric Acid Cycle”. The seminar got over at 4:00 P.M. with the vote of thanks to the speaker by the students of the 3<sup>rd</sup> Year of Home Science (H).

During the seminar, attendance was recorded, and geotag pictures were taken. This report was prepared by the student participants with the help of faculty.

## 15 Chemistry on “Biomolecules: Structure and Classification”

### Report

#### Biomolecules: Structure and Classification (Chemistry)

On 12th September 2022, Monday from 11: 00A.M to 1:00 P.M the Department of Food Technology and Home Science of Vivekananda College organized lecture series 1 with Mrs. Juhi Saraswat. Twelve participants of BSc (Honours) Home Science third year were present on that day. Mrs. Juhi Saraswat was welcomed by the participants. The contents of the lecture were about the concepts and structure of carbohydrates: – Fischer structure of aldose and ketose, and Ring structure of sugar. The classification of monosaccharides was also discussed. The topic on lipids, their classification and their characteristics was also discussed. The lecture was very interesting. There was the active participation of all the students during the whole lecture. Students took notes and asked questions. The session was so informative and knowledgeable that the students were able to understand the concept very well. It was a great opportunity for them. Vote of thanks was delivered by a student volunteer.

This report was prepared by the student participants with the help of faculty.

## 16 Amino Acids- Structure, Classification and Ninhydrin Test

### Report

#### Chemistry Lecture Series 4: - Amino Acids- Structure, Classification and Ninhydrin Test

On 22nd September 2022, from 9:00 to 11:00 A.M the Department of Food Technology and Home Science, Vivekananda College organized lecture series 4 with Mrs. Juhi Saraswat. Nine student participants were present. Mrs. Juhi Saraswat started the lecture with basic introduction of protein and then she discussed about the concepts of Amino Acids and its classification on basis of structure. The lecture was very interesting. There was active participation of all the students during the whole lecture. The session was so informative and knowledgeable. It was a great opportunity for all the students. Vote of thanks was delivered by a student volunteer.

## 17 Basic and Applied Sciences for Home Scientists

### Report

On 26th September 2022, the Department of Food Technology and Home Science, Vivekananda College organized a one-day student seminar “ Basic and Applied Sciences for Home Scientists” from 09:00 AM - 3:30 PM. Fourteen participants were present on that day in the first session held with the resource person Dr. Meenakshi Vachher. She discussed about enzymes: – the definition of enzymes as biocatalysts, activation energy of a reaction and its relation with enzymes, active sites of enzymes, vitamins as co-enzymes, metal ions as cofactors and prosthetic groups. The effect of substrate concentration on enzyme activity and effect of temperature on enzyme activity were also discussed. Further, they were informed about the enzyme competitive inhibitors. The importance of LV plot, which tells about the relationship between substrate concentration and reaction time was also discussed. Information on non-competitive inhibitors and allosteric enzyme reactions i.e. the modulator/regulators of a biochemical reaction were also shared. The overall session was very interesting. Active participation of all the students during the whole session was seen. Students took notes and asked questions. It was a great opportunity for all the students to have such an amazing informative seminar with Dr. Meenakshi.

The second session was from 11:15 A.M-1:15 P.M. with Mrs. Juhi Saraswat. She discussed about carbohydrates and lipids. Total fifteen participants were present in that session. The topics on essential amino acid, zwitter ion and ninhydrine test were discussed. The topics on denaturation of proteins was also discussed. The session was so informative and knowledgeable that the students were able to understand the concept very well. It was a great opportunity.

The third session began from 01:30 PM - 03:30 PM, with Dr. Munna Dan. Fourteen participants were present during the session. Dr. Dan discussed the role / scope of physics in daily life, household equipments and consumer awareness. He also discussed about motorized equipments, heating equipments and cooling appliances. Further, the participants learnt about vacuum cleaner, washing machine and refrigerators. The overall session was very interesting. Active participation of all the students was seen during the whole seminar. Students took notes and asked questions. The seminar was so informative and knowledgeable that students were able to understand the concepts very well. It was a great opportunity for them to have such an amazing informative seminar with Dr. Munna Dan. Vote of thanks was delivered by participants.

## 18 Nucleic Acids and Polymers

### Report

On 28th September 2022, the Department of Food Technology and Home Science, Vivekananda College organized a one-day student seminar from 09:00 AM - 1:15 PM. Nineteen students from Vivekananda College and Lakshmibai College of BSc (Honours) Home Science third year were present during the first session being held from 9:00 AM to 11:00 AM. Resource person was Dr. Taruna Arora. She told the students about nucleic acids like DNA and RNA. The overall session was very interesting. Active participation of all the students during the whole session was seen. Students took notes and asked questions. It was a great opportunity for all the students to have such an amazing informative seminar with Dr. Taruna Arora. Vote of thanks was delivered by student volunteers.

## 19 Biodegradable polymers, the chemistry of dye structure, and application of Azodyes”

### Report: - Chemistry Lecture Series 05: Biodegradable polymers, the chemistry of dye structure, and application of Azodyes

On 11<sup>th</sup> October 2022, from 9:00 to 11:00 A.M the Department of Food Technology and Home Science, Vivekananda College organized lecture series 5 with Mrs. Juhi Saraswat. Nine student participants were present on that day. The contents of the lecture were focused on biodegradable polymers, dyes, their chemistry, structure and the application of azo dyes. Topics like the chromophore, auxochrome, threshold energy and wavelength were also discussed. The osazone structures of glucose and fructose were also discussed. The lecture was very interesting. There was active participation of all the students during the whole lecture. Students took notes and asked questions and as well as answered the raised questions. Over all the session was engaging and as well as informative. Vote of thanks was delivered by a student volunteer. This report was prepared by the student participants with the help of faculty.

## 20 Importance of Biotechnology and Genetics in Home Sciences

### Report

On 1<sup>st</sup> October 2022, the Department of Home Science, Lakshmi Bai College i organized a workshop “Role of Life Sciences in Home Sciences”. Under this, the sub-topic was “Importance of biotechnology and genetics in Home Sciences”. The students got the link to join Google meet at 9:30 to attend the workshop. There were a total of 28 students present from Vivekananda College and from Lakshmi Bai College

From 10:00 A.M.-10:30 A.M., there was attendance and registration confirmation and an inaugural session in which Dr. Sabrina Sareen address the students and encouraged them for future moves. Then 10:35 onwards first lecture began which was given by **Dr. Savita** on the topic “Principles of biotechnology and genetics for home and human health management”. The lecture started by explaining the concept of biotechnology. She also discussed about the importance of DNA and about PCR. She gave notes. The lecture was very interesting. There was the active participation of all the students during the whole lecture. Students asked questions. So, the session was informative and lively. It was a great experience.

After this session, around 11:15 A.M. onwards there was a break of 15 minutes till 11:30 and after that from 11:30 onwards the second lecture began. The speaker of the second lecture was **Dr. Mani Singh**. She discussed classification of plants- the botanical aspects. The basic concepts of biotechnology followed by various topics of biotechnology were also discussed. She taught about the various application part of Biotechnology like Micropropagation, Cutting, Transgenic crops and Grafting. She explained each and every topic in a well proper manner. The lecture was very interesting. There was the active participation of all the students during the whole lecture. Students took notes, asked questions as well as answered the raised questions. PowerPoint Presentation was quite interesting in both the sessions. It was a great opportunity as the session was so interesting. The lecture continued till 1:25 P.M.

After this, there was a little informal discussion regarding feedback on the workshop, any queries, views, etc. With this, the session was completed. A vote of thanks was given by students of Vivekananda College. The students were also thankful to the parent college i.e. Vivekananda College for giving them this opportunity to attend such workshops.

The report was prepared by the student volunteers along with the help of faculty members.

### Recombinant DNA technology

The diagram illustrates the steps of recombinant DNA technology:

- Human Cell:** Extraction of the **Gene for human growth hormone**.
- Bacterial Cell:** Extraction of the **Plasmid** (Bacterial chromosome).
- Sticky ends:** Cutting the plasmid and the human gene with restriction enzymes to create compatible ends.
- DNA recombination:** Joining the human gene into the plasmid to form **Recombinant DNA**.
- DNA insertion:** Inserting the recombinant DNA into a **Bacterial cell containing gene for human growth hormone**.

### Leaf & root Cuttings:

- Large roots
- Small roots
- Whole leaf with petiole
- Whole leaf without petiole
- Split Veen
- Leaf sections

The diagrams and photographs show various propagation techniques:

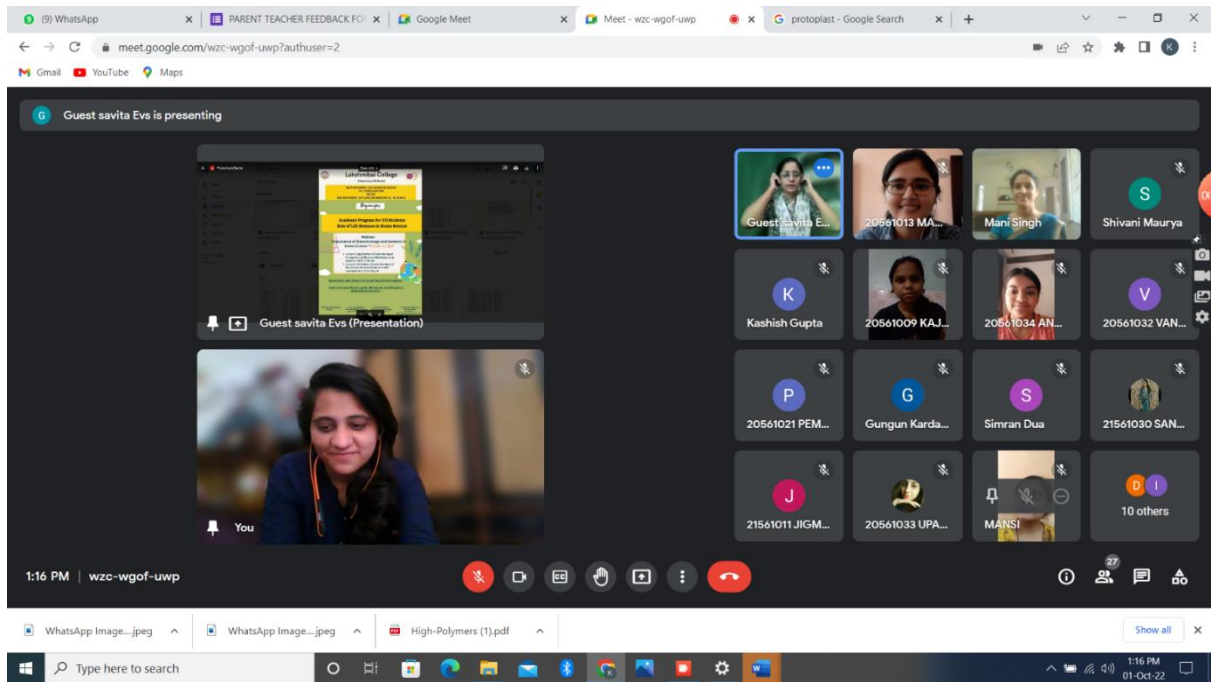

- Propagation with root cuttings:** Shows a plant with roots being cut into sections.
- Leaf cuttings:** Shows a leaf being cut into sections (split vein, whole leaf with petiole, whole leaf without petiole).
- Leaf Vein Cuttings:** Shows a leaf with a specific vein being cut.

## 21 Visit to Waver's Service Centre Delhi

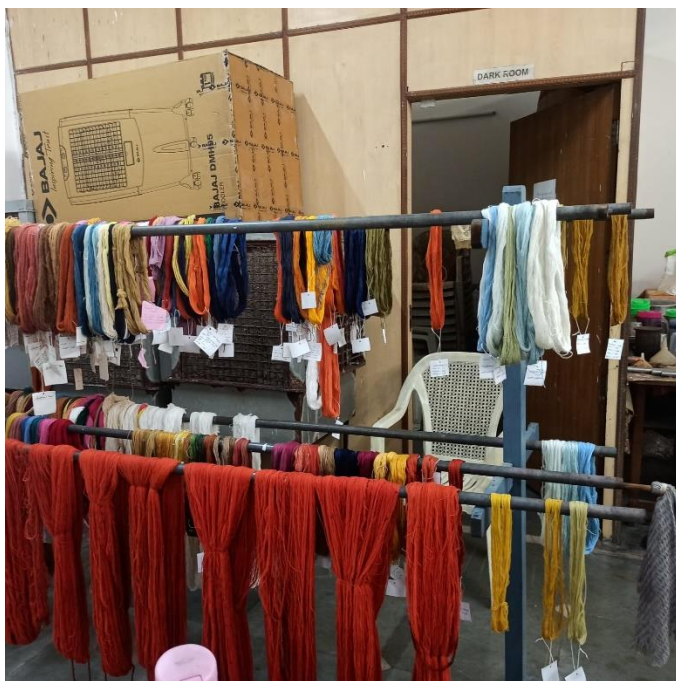

The students of B.Sc. Home science (Hons) III Semester visited the Weaver's Service Centre on 29.11.2022. The visit was planned to give students an insight into the basic concepts of weaving, dyeing and printing. Mr. Puran Singh, from dyeing and printing department, briefed the students about the functioning in the centre. The centre has three departments- weaving, dyeing and printing and design resource centre (which is undergoing maintenance at present). Students and research scholars from various institutions visit the centre for training and conducting their researches etc.

### Dyeing and Printing

Dyeing and printing in the centre is usually done with natural dyes though synthetic dyes are also used occasionally. Various measures are taken to make the process eco-friendly as it involves lots of effluent release. Hazardous chemicals are being replaced with sustainable natural alternatives. For example, Harda and alum are the most preferred mordants for natural dyes here and chemical mordants like ferrous sulphate and copper sulphate are used in permissible limits. Powder of tamarind seeds was being used as thickening agent for printing paste of natural dyes. The natural dyes they use are the extract of various natural things like tea leaves, pomegranate peel, different types of flowers like harsingar, tesu etc.

The students were given demonstration of dyeing and printing with natural dyes.

## Weaving Department

The weaving department comprised of various types of looms like sample looms, handlooms, manually operated jacquard looms (Punch card & computerized). The students were demonstrated the various steps in setup of loom and the final weaving of fabric.

The visit was very interesting and informative. The students learnt the practical concepts related to weaving, dyeing and printing.

**REPORT of National Workshop – Qualitative Analysis of Carbohydrates**

On 8<sup>th</sup> September 2022, Thursday from 9:00 A.M. onwards, the Department of Biochemistry, Institute of Home Economics organized a National Workshop on “Qualitative Analysis of Carbohydrates” for students of Home Science (H) third year. In the workshop there were 14 students from Vivekananda College and 13 students from Lakshmi Bai College. Overall, there were 27 students present in the workshop.

The workshop commenced with the welcome of the first speaker i.e., **Dr. Sandeep Yadav**. Then the first Speaker talked about the carbohydrates and structure of Monosaccharides, Disaccharides, and polysaccharides. He made the students learn about various tests to identify carbohydrates and its properties like Molisch test, Benedict test, Fehling’s test, Barford test, Seliwanoff test, Iodine test, Osazone test. The students found this session very interesting and there was the active participation of all the students.

After the break of 15 minutes second speaker i.e., **Dr. Nalini Maza Wali** told the students about the test once again and made them perform those experiments. She made the students look at the structures by microscope as well. There were many questions that were raised by students and many questions were asked by Dr. Nalini Maza Wali. It was an informative session.

After that practical file of students were shown to the students and photographs were taken of the workshop. The workshop got over at 4:00 P.M. with the vote of thanks to the speaker by the students of 3<sup>rd</sup> Year of Home Science (H).

During the workshop, attendance was recorded, and geotag pictures were taken (attached with the report)

This report was prepared by the student participants with the help of faculty.

## 23 Socio-economic Development-Sociological Orientation

### Report Of Semina

#### One-day Student Seminar: Socio-economic Development-Sociological Orientation

On 28<sup>th</sup> March 2023, Tuesday from 9:00 A.M. onwards, the Department of Food Technology and Home Science of Vivekananda College organized a “One-day Sociology Seminar” on the theme “Socio-economic Development-Sociological Orientation” for the students of Home Science (Honours). In the Seminar, fifteen students from Vivekananda college were present.

The seminar commenced with the welcome of the first speaker i.e. **Ms. Ashwarya Chowdhary** by the students of Home Science (Honours). The first session was based on the theme “**Society, Culture & Institution**”. The definition of sociology, characteristics and types of society, culture and different types of institutions were discussed. The speaker gave many realistic examples and explained the topic in detail. This session was very interesting and there was active participation from all the students.

After the break of 15 minutes, the second session started which was based on the theme “**Family, Kinship & Relationships**” by **Dr. Pooja Tripathi**. She told about the characteristics of family, type, and categories of kinship and marriage. There were also some doubts of the students that were cleared by Dr. Pooja Tripathi. That was also an informative & interactive session.

The third session was conducted by **Ms. Priyambada Shah**. The theme of the session was “**Social Groups and Multiplicity**”. The session started with a little introduction and background of sociology and social groups. Various social groups, types, and characteristics were also discussed. This session was very interesting and there was active participation from all the students.

The fourth session was based on the theme “Cultural Diversity in Contemporary Life” which was taken up by the last speaker i.e **Ms. Pooja Kumari**. She talked about the different cultures followed in different regions and the cultural and ethnic diversity the people of India. She gave information about Sanskritization and important authors in the field of sociology.

All the sessions ended with a vote of thanks delivered by the students followed by attendance and geotag photographs taken for all the sessions.

## 24 PMFME Awareness Programme

**Time: 11:00 AM to 01:00 PM**

**Location: Institute for Industrial Development, Gandhi Darshan, Rajghat, New Delhi-110002**

**Organised by: Ministry of Food Processing Industries (MOFPI) , Institute of Industrial Development (IID)**

**Teacher Coordinators: Dr. Sukhneet Suri and Dr. Arushi Jain**

On August 5, the Ministry of Food Processing Industries (MOFPI), Government of India in association with Institute of Industrial Development (IID), organized a workshop regarding the Pradhan Mantri Formalization of Micro Food Processing Enterprises (PMFME) scheme, which focused on raising awareness regarding the services and aid provided to people aiming to start a micro-industry. Vivekananda College, University of Delhi, Vivek Vihar sent a student delegation of 15 students from the Department of Food Technology and Home Science for attending this workshop. The team was represented by Akansha Kagra, Anjali Sharma, Ankita, Divyanshi, Jauziya Shumail, Kajal Sharma, Mansi Chaparana, Noorziya, Prachi Batra, Sakshi Kaushik, Sidhi Gola, Tanvi Sharma, Tanya Bhardwaj, Unnati Rawat and Vani Bhardwaj; all students of third year, B.A. Programme.

The workshop was started by providing the attendees with a brief introduction to the different types of industries and how they can find their own footing within them, the important factors needed to be an entrepreneur and self-help groups (SHGs) through the help of YouTube videos curated by IID. The event started with the inaugural song 'Atma Nirbhar Bharat' created by IID. The workshop was addressed by Mr. Jay Prakash Jha; Manager, Business Development, IID, Dr. Shobhit Gupta; Chief Manager, DSIIDC, Sh. Kamal Bholia; Director, IID and Dr. Kusum Mausam; Assistant General Manager, IID. The keynote speaker of the event was Dr. Ankit Kumar; Marketing Manager, PMFME. Dr. Ankit provided a detailed explanation of the scheme, the financial benefits- including subsidized loan, low rates etc, the documentation required to avail the scheme, and other helpful information such as district resource persons (DRPs).

The event came towards an end with a quick Q & A session where participants raised questions regarding the implementation of the scheme. Dr. Ankit made quick notes of handling the doubts of the participants. He also asked aspiring entrepreneurs to register themselves at the MOFPI portal ([mofpi.gov.in](http://mofpi.gov.in)) port and avail the services provided to them. With this, the event was brought to a conclusion.

## **25 Celebrating Some Great Historians of India: Personal and Professional Memories**

Report of the National Seminar (23.09.2022)

### **Alka Rani Memorial Lecture Under Aegis of Commemorative Centenary Year**

The History Department of Vivekananda College organized Alka Rani Memorial Lecture every year in loving memory of Alka Rani whose untimely death came as a shock. and died in 2010. The Lecture was made a part of Delhi University Centenary Celebration this year. One- Day National Seminar “Celebrating Some Great Historians of India: Personal and Professional Memories” was organized on Friday, 23.09.2022.

Eight eminent historians from Jawaharlal Nehru University, Ambedkar University, Delhi University, Jamia Millia Islamia and Aligarh Muslim University, Aligarh were invited. The prominent names were Prof. Salil Mishra, Prof. Anirudh Deshpande, Prof. Ranjeeta Datta, Prof. Partho Datta, Prof. Mohammad Sajjad, Prof. Vishwa Mohan Jha, Dr. Pankaj Kumar Jha and Dr Rohma Javed Rashid. In spite of exceptionally heavy rains when daily life was badly affected, six of the invited speakers managed to come.

Around 115 students attended the whole day - long seminar as the speakers could engage the students. All the teachers of the Department and from the college attended the event. The speakers covered the life and times of their teachers who had died in the recent past. It really turned to be a meaningful seminar and a real tribute to Alka Rani.

### 36. Information Literacy Skills

**Report :** On the Occasion of the Centenary Celebrations of University of Delhi and ‘Azadi ka Amrut Mahotsav’, Vivekananda College library under the aegis of IQAC and in collaboration with ‘Indian Library Association’ (ILA) organized an Online One-day National Seminar on “Information Literacy Skills” on 17<sup>th</sup> August 2022. The Chief Guest was Dr. Rajesh Singh (University Librarian, University of Delhi) and Guest of Honor was Dr. Pardeep Rai (Sr. Vice President (ILA) & Librarian (Prof.) Maitreyi College, University of Delhi). The event began with the address and welcome note of Dr. Rajni Jindal (College Librarian). There were three sessions on the following themes: Information Literacy & Search Strategies; Open Access Scholarly Resources & Basic Plagiarism Ethics and Government initiatives for e-resources and their Access.

The link of the google meet was (<https://meet.google.com/vdg-nkgm-yew>) and it was also streamed live on the library facebook page (<https://www.facebook.com/100006986984312/videos/735071744246097/>).

Information is very important for all in this competitive world. It has become the fifth essential need of humankind. Skills used for academic purposes to access information are known as information literacy skills. Library professionals use them to find, evaluate, use and share information. It is an important or essential skill for them. It is also important to impart the knowledge of skills to their patrons. The patrons need to know how to extract relevant, pinpointed exhaustive information as per their need. Information literacy helps in solving the problems of choosing the right information from the abundance of information from various media. The target audience was Undergraduate students. There were three sessions on the following themes.

1. Information Literacy & Search Strategies
2. Open Access Scholarly Resources & Basic Plagiarism Ethics
3. Government initiatives for e-resources and their Access

Resources Persons:

- Dr. Rajesh Singh (University Librarian, University of Delhi)
- Prof. Jaideep Sharma (Prof. IGNOU)
- Dr. Projes Roy (Librarian (Prof.) Shaheed Rajguru College of Applied Sciences for Women, University of Delhi)

The event began with the address and welcome note of Dr. Rajni Jindal (College Librarian). Dr. Hina Nandrajog (Officiating Principal) graced the event with her very encouraging words and welcoming the guests. She articulated the topics and also expressed her thoughts on the theme of the webinar. She deliberated the challenges and issues of plagiarism and search strategies for the students. Student Coordinator (Ms.Mitushi) moderated the event and welcomed all the guests of the webinar. The Guest of honor addressed the audience and gave an insightful key address, and highlighted the ethical use of information in the modern era of Information Communication Technology. The resource persons spoke on their allocated topics and interacted with the audience. All the sessions were followed by question answer rounds. Session of Prof. Jaideep was very interactive and the audience participated in the discussion. The technical part of the webinar was handled by student coordinator (Ms.Parul).

A large number of the audience attended the event (<https://docs.google.com/spreadsheets/d/1cDz4bWEG-ghRVU8d1dgWoebYuvv4wI4x/edit#gid=1504494800>).

During the last session of the webinar, the link to fill the online feedback form was posted in the chat box for auto generation of the e-certificates to the participants.

Date 28-02-2023) On the occasion of 'International Women's Day', 'National Poet's Conference' was successfully organized by Mrs. Poonam Gupta, Convenor of 'Ambedkar and Social Justice Committee' in Vivekananda College. This program was wonderful in many ways because the respected poets present in this program had come to the college not only from outside states but also from outside the country. In this program, like Sneh Lata Negi ji, Medha ji, Suraj Badtya ji, Balraj Singhmar ji, Jasveer Tyagi ji, Sanjeev Kaushal ji, Anuradha Os ji, Neeraj Kumar Mishra ji, Hiralal Rajasthani ji, Rajni Anuragi ji, Neelam ji, Rajkumari ji. Famous and talented poets and poetesses read their important and selected poems. This program was conducted by Yojana Kalia ji. Dr. Hina Nandrajog highly appreciated this program and encouraged the organizers to conduct such programs in future. At the end of the program Dr. Saroj Kumari told everyone

#### **Gaming Stall in Convocare's Event - MERAKI 22**

**By Team Enactus VNC**

On the 13<sup>th</sup> of October 2022, team Enactus under the guidance of Dr. Sandhya Jain, Convenor, and Dr. Shafaq Zareen, Faculty Coordinator embarked on a transformative journey to empower and uplift the spirits of individuals on the occasion of World Mental Health Day. As a radiant force of inspiration, our team established captivating Gaming Stalls at Vivekananda College, harmoniously energising the event organised by the Convocare Mental Health Society.

Convocare, an emerging society wholeheartedly committed to mental well-being, orchestrated a captivating 'Paint Party' to commemorate this special day. Embracing this opportunity, we introduced three engaging game stalls: 'CUP PONG, DROP THE COIN,' and 'FLIP THE BOTTLE'. The thrill of competition was met with abundant rewards, as winners were bestowed with tokens of appreciation including Fresca, scrunchies, keyrings, and toffees.

Amidst the vibrant atmosphere, the crown jewel of our stall was an enchanting quote chart, meticulously designed to nurture the mental well-being of students. Affirmations radiated from every word, instilling a sense of strength and resilience in the hearts of those who immersed themselves in its profound messages.

The event echoed with a powerful message of hope, touching the lives of many and reminding us of the significance of mental well-being. Enactus, fueled by our strong commitment to social entrepreneurship, is leading the path toward a better tomorrow, where empowering the mind is the secret to a flourishing society.

#### **Gaming stalls in Event Pallavi 12/01/2023**

**By Team Enactus VNC**

On the occasion of Vivekananda Jayanti, our team Enactus VNC with the guidance of Dr. Sandhya Jain, Convenor and Dr. Shafaq Zareen, Faculty Coordinator successfully set up a Tote Bag Stall under our new project, Project Tarakki at the cultural fest organised by the Vivekananda Committee of Vivekananda College. The theme of the fest, "Adbhut Bharat," provided an ideal platform for our team, Enactus, to contribute towards the promotion of small-scale vendors and initiated a positive social impact. It highlighted the importance of sustainable and eco-friendly alternatives while supporting local businesses.

The response was overwhelmingly positive, as college students exhibited tremendous ardour in procuring the tote bags owing to their burgeoning popularity and multifarious advantages. This engendered substantial profits for the Enactus stall. We intend to allocate these gains towards an impending sanitary pad donation drive in the upcoming months.

The stall proved to be highly successful, providing a boost of energy to the event while also effectively supporting the objectives of Project Tarakki. It had a positive influence on both the college community and vendors, encouraging them to explore opportunities beyond their usual platforms.

## 44 THINK TANK

### Report

Inter-college competition named THINK TANK, a round table discussion held by team Enactus of Institute of Home Economics, DU on the occasion of their annual fest MELANGE '23 where in, interested participants got the opportunity to talk through the reality on sustainability. The selected applicants from round - 1 were required to give maximum 7 mins of their pitch in the round - 2 on to their selected sustainable development goal. It was an exciting format where the students could voice out their views on the sustainable development goal they wish to. There were two students who participated from Enactus team of our college in the competition and fortunately by their efforts, they secured first and second positions for the same.

- First prize was awarded to **Deevanshi Rudra**
- Second prize was awarded to **Nandini Anand**.

Thus, it was a confidence-boosting experience for them where they could acknowledge themselves enough.

### **REPORT**

#### **FRENCH FEST VNC 2023**

**By Team Enactus VNC**

On 6th May, 2023 Vivekanand College organised its annual French Fest. Enactus Vivekananda College under the guidance of Dr. Sandhya Jain, Convenor and Dr. Shafaq Zareen, Faculty Coordinator set up a stall featuring some of the most exquisite collections handcrafted by the local beneficiaries.

The stall gave prominence to a variety of products, right from totes and scrunchies to handmade Terracotta products. The diverse range of Terracotta products included mid sized kulhads, vibrant bowls, coffee cups and mugs as well. The stall was visited and appreciated by the students and professors of the college collectively. The vivid Terracotta products caught the eyes of everyone. Enactus VNC aims at supporting and uplifting the local beneficiaries who put their hard work and love into crafting these products.

We hope to bring more such businesses into the limelight and feature their exclusive products in our stalls. This would ensure a stable source of livelihood and economic upliftment of the economically weaker sections and give them an opportunity to widen their horizons.

## **48 Pad Donation Drive**

### **By Team Enactus VNC**

On the 21<sup>st</sup> April, 2023, Enactus Vivekananda College under the guidance of Dr. Sandhya Jain, Convenor and Dr. Shafaq Zareen, Faculty Coordinator organised a pad distribution drive where the team was successful in distributing a total of 200 pads among the women who are located in the slum areas of Jhilmil. We aimed to help the financially constrained communities and the underprivileged section of society to help get access to safe menstrual products who often face stigma and shame around menstruation, which leads to discrimination in the society. Due to a lack of education regarding menstruation, the younger group of girls end up missing school when their cycle begins which affects their well-being in the long run. Team Enactus VNC addressed this issue through a pad distribution drive. Our team discussed and helped in resolve the issues and the problems the women face during periods by empowering them to take control over their health and providing them with the necessary resources and support which would enable them to manage their periods with dignity.

List of Volunteers, who went for distribution

- Gandhi Study Circle organized an “*Educational trip to Gandhi Smriti and Darshan Samiti*”, Tees January Marg, New Delhi comprising 51 college students and the committee members. Gandhi Smriti, formerly known as Birla House, is a museum dedicated to Mahatma Gandhi where he spent the last 144 days of his life before his assassination on 30<sup>th</sup> January, 1948 at the same location. The bus carrying the enthusiasts reached the venue at 12 noon where they were greeted and divided into two groups of 25 students each by the two tour guides. The students were first taken to the Martyr’s Column, the spot where Mahatma Gandhi was shot dead. Then the students were taken to the prayer area where Gandhiji would offer his daily prayers. The area and its walls were painted with stories from Mahatma’s life which appeared like a motion picture on Gandhi’s life. The students were then directed to the multimedia section of the museum which was prepared and designed from the funds of Indian Government in 2005. The audio-visual technologies used to portray Gandhi’s life and his teachings left an indelible mark on the psyche of the students. Later, the students were headed towards the library which showcased the books of authors Gandhiji would read and his personal belongings. The trip was very successful in many respects as the students took this great soul whoever walked on this earth. Students were also provided refreshment on the way.

## 50 Decolonizing the self : Issues and Perspectives

### **Report of National Students Seminar**

- **Held on** : 4<sup>th</sup> November ,2022
- **Topic** : Decolonizing the self : Issues and Perspectives
- **Sub-Topic** : Gandhi's Hind Swaraj : A Framework of Decolonization
- **Chaired by** : Dr. Dilip Kumar Jaiswal
- **Resource Person** : Professor Salil Misra
- Gandhi Study Circle was also part of organizing a “2-Day National Students Seminar” on Decolonizing theSelf: Issues and Perspectives, which was organized by the Vivekananda College under the aegis of DU Centenary Celebrations. On the second day (4th November, 2022) of the seminar, Professor Salil Misra delivered a keynote address on “Gandhi's Hind Swaraj: A Framework of Decolonization”. The session was chaired by Dr. Dilip Kumar Jaiswal.

Professor Misra argued how Gandhi's *Hind Swaraj* was a tool to counter British imperial policies in Indiaand elsewhere, and an attempt to create an indigenous resistance framework on native lines to mobilize the masses. After the tea-break, the participants presented their papers and the session ended with a vote of thanks to the keynote speaker.

**Recent Education System**

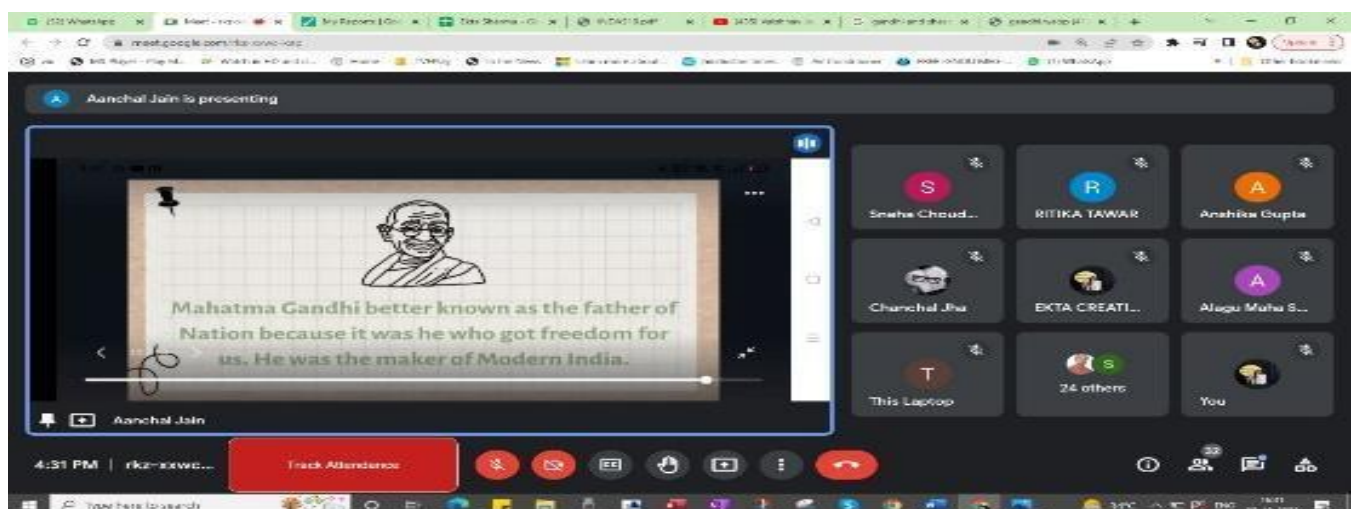

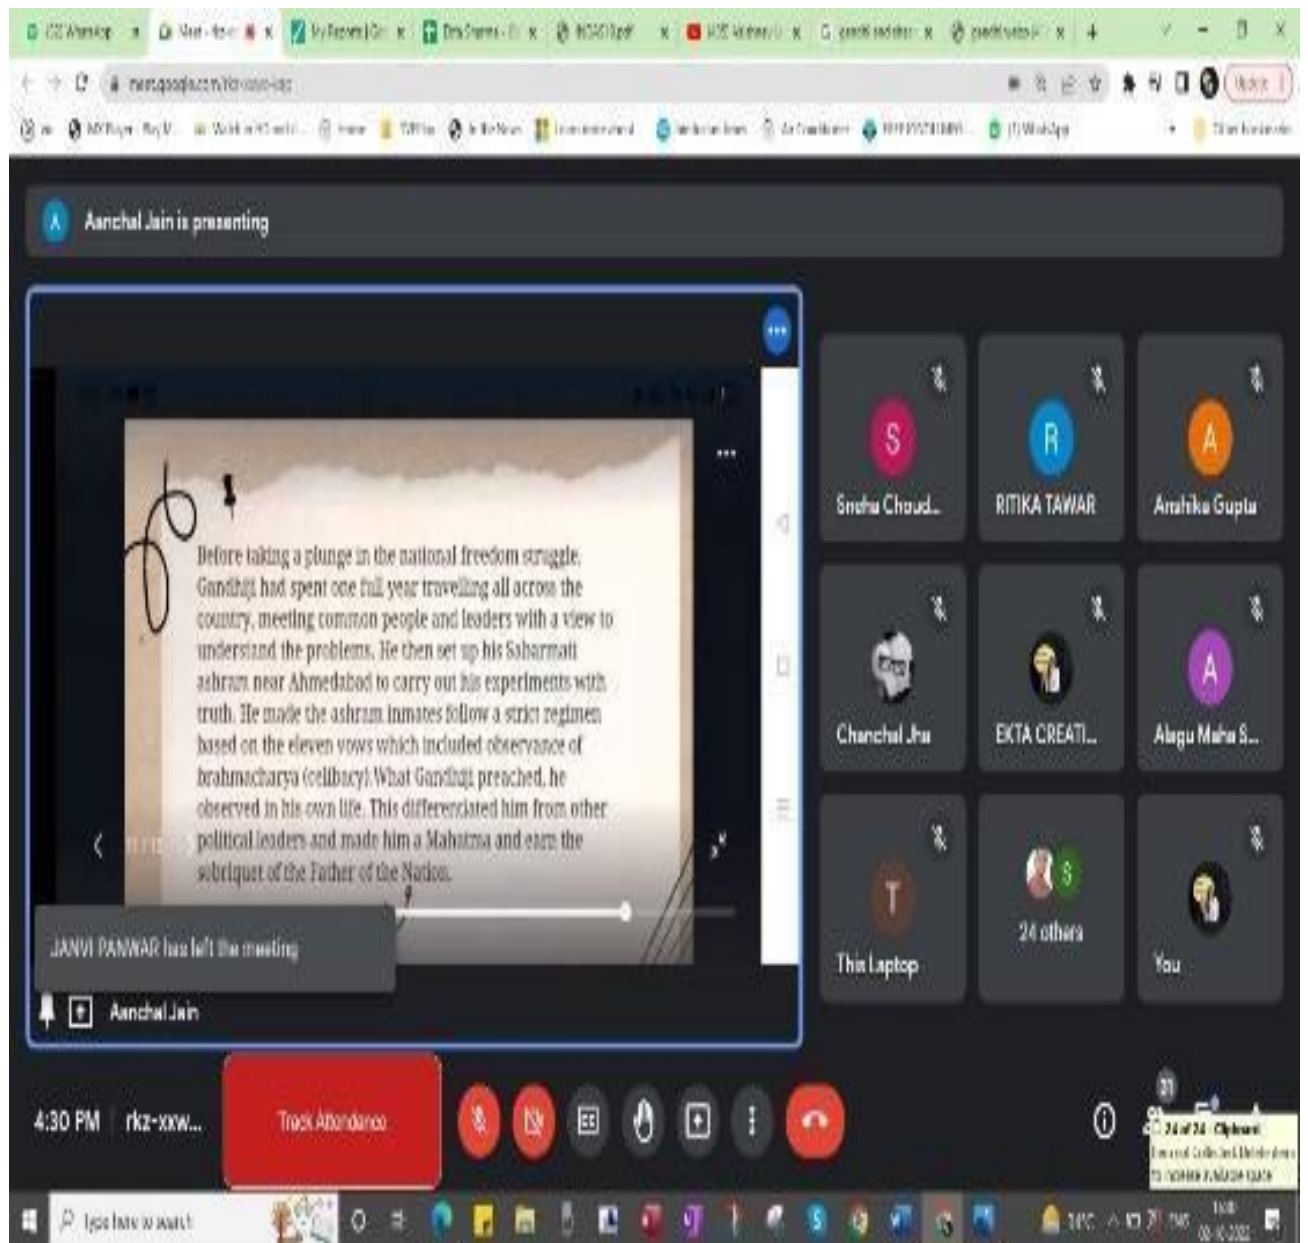

- All these appreciable changes in education system became possible only because of the efforts and revolution of many great people like Mahatma Gandhi.
- In 1947 India had a population of 340 million with a literacy rate of just 12%, today In 2022 it has a population nearly 1.4 billion with a literacy rate of 74.04%.
- Today people have become more serious about their studies and they recognized the importance of Education.

## 68 - Questionnaire related cleanliness campaign

**Date** - 6 october 2022-11 october 2022

**Response** - 552

**Venue** - Online mode

**Duration**- 5 days

Nss unit of Vivekananda college university of Delhi organised an online questionnaire for people where volunteer did survey through that questionnaire.

We received an amazing response some around **552** data under 6 October to 11 October, we have collected in regards to the cleanliness availability in their surroundings. Many questions were asked in regards to the cleanliness in their surrounding like availability of dustbin at street, use of plastics in local area even after its ban and hazardous effect.

In questionnaire there were questions were put like reduction of pollution, how to ensure Individual responsibility towards environment? And door to door service for garbage collection or stake of garbage on street is there?

Through questionnaire we also spread the awareness like how unhygienic area can lead to severe diseases through questions like which of the following diseases are spread by not maintaining cleanliness and hygiene.

a) Dengue b) Hepatitis c) Both

Even this questionnaire was something which help individuals to understand their fault and responsibilities in making surrounding clean like we found 333 people who became shy when it comes to picking Garbage from road usually.

## ARTICLE WRITING AWARENESS

Women dynamics and women safety  
By - Sonali

Women's safety in this country is a major concern and therefore should be talked about as much as possible. She is strong, she is worshipped in this country. She is a mother, she is a sister, a grandmother, a wife. She plays many roles and yet, she is not safe. She lives in terror and fear. She is scared to go from her house to a shop nearby at night. **Women's safety is a big concern that must be addressed in a country like ours.** India is definitely not the safest country for our women. For a country that has been known for worshipping gods like The Durga, Laxmi and The Kali, we clearly need to start worrying about the issue of how unsafe women have become in the country. Women of all ages are currently facing some sort of crime against their rights and are suffering in the worst ways. The more we keep letting things like these happen, the more they will continue to grow. We need to make sure that the safety of the women in our country is something that we talk about all the time. Only when we plan on making the most regular everyday activities for the women in our country safe, will we be able to call ourselves a successful nation.

In the world where women insecurity is increasing day by day this awareness became a way to suggest alternatives and understand matter and thoroughly.

The topic for the awareness was the power dynamism in today era and our time is now , our right our future.

The motive behind the awareness was to make aware today youth with the equal opportunity to women and that right which are natural still women's are seeking for it so

by spreading the awareness our objective was to reach to the peoples and interpret their thinking about this theme.

## **72 National Vigilance Day - Step Ahead As Anti Corruption**

**Date :- 28<sup>th</sup> October 2022**

**Event :- Film Screening**

### **National Vigilance Day - Step Ahead As Anti Corruption**

Vigilance meaning state of being watch and alert. A person in a position of authority who engages in dishonest or unethical behaviour, either to further their own or another person's interests, is said to be corrupt. It is a universal phenomenon that touches all social classes in some capacity. Economic development, democracy, the environment, public health, and many other things are all threatened by corruption. Therefore, it is crucial that the people be educated about and inspired by initiatives to root out corruption. Today we commemorate National Vigilance Week to stop corruption. A democracy is a form of government "by the people, for the people," which gets legitimacy through openness and a system of checks and balances. Democracies are characterised by vigilance and awareness. But in reality, Corruption is a common problem in democracies.

### **Theme for National Vigilance week**

Every year, the week of Sardar Vallabhbhai Patel's birthday (October 31) is designated as Vigilance Awareness Week. According to a decision made by the Commission, Vigilance Awareness Week in 2022 will be marked from October 31 through November 6. According to the Central Vigilance Commission's instructions, CIL headquarters will observe Vigilance Awareness Week-2022 from October 31 to November 6, 2022. This year's Vigilance Awareness Week will focus on "**Corruption free India for a developed Nation,**" which is the topic for the week. The first national vigilance commissioner was Nittoor Sreenivasa Rau.

Vigilance Awareness Week from October 26th to November 1st, 2021, with a lot of enthusiasm and involvement. A number of events were planned to promote awareness in regards to corruption.

### **'Independent India at 75: Self Reliance with Integrity' was the theme.**

2020 year's Vigilance Awareness Week, had the theme "Satark Bharat, Samridh Bharat (Vigilant India, Prosperous India)," taken place from October 27 to November 2, 2020. Human greed, or an excessive urge to succeed and it was linked to corruption in daily life.

### **Background**

On October 31, 2000, the Central Vigilance Commission established the custom of honouring the week beginning with Sardar Vallabhbhai Patel's birthday as Vigilance Awareness Week. The goal of Vigilance Awareness Week is to raise public awareness of the negative impacts of corruption.

When the then-Chief Vigilance Commissioner wrote a piece in 2000, the concept of "Vigilance Awareness Week" was first proposed. According to a report on CNBC TV18, the letter stated that corruption was "anti-national," "anti-economic progress," and "anti-poor."

### **CVC - Central Vigilance Commission**

The CVC is designed to be the top vigilance institution, independent of all executive powers. It is responsible for overseeing all vigilance activity conducted on behalf of the Central Government and providing guidance to various authorities within Central

Government organisations on how to plan, carry out, evaluate, and reform their vigilant work

The Central Vigilance Commission has been transformed into a multi-member Commission having "statutory status" as of August 25th, 1998, following the President's promulgation of an Ordinance.

### **How to celebrate ?**

- Create human chains wherever possible in the affected cities, towns, and villages. Organize visible events like street plays, public gatherings, and marathons, triathlons, and other such activities.
- By Display of signs, banners, and posters, as well as handout distribution, at visible locations, including those in offices, field units, and public areas eg. branches of Banks, Petrol Pumps, Railway Stations, Airports etc.
- Establish camps for citizens and customers to file complaints with businesses that offer customer-focused products or services. Similar to that, wherever necessary, vendor meetings may be scheduled.
- For the purpose of raising awareness, social media sites, bulk SMS/E-mail, WhatsApp, electronic and print media, etc., may be used extensively.
- creating a consciousness among high school and college students about the negative repercussions of corruption. All organisations are encouraged to support the creation of "Integrity Clubs" in schools and colleges because young people are the nation's future assets and it is crucial to instil moral principles in them.
- Develop a Gram Sabha awareness campaign for spreading knowledge about corruption's negative impacts among citizens in Gram Panchayats (in rural and semi-urban areas).

### **Purpose**

The Commission thinks that corruption is a significant barrier to the country's advancement. To maintain integrity in all facets of our national life, all societal segments must remain watchful. As part of this year's Vigilance Awareness Week, the Commission wants all organisations to concentrate on internal (housekeeping) tasks that will be undertaken in a campaign style. This entails streamlining internal procedures, assigning tasks in a timely manner, and making systemic improvements while leveraging technology. The Commission emphasises the importance of ensuring transparency in all processes, including payments to contractors, home allocations, asset updates and digitization, including property records, condemnation of old furnishings, and removing outdated records while adhering to established procedures and regulations.

The identification and implementation of systemic changes inside organisations has been advised. They could then post them in the public domain on the website of their organisation. To ensure more distribution of the systemic reforms and good governance initiatives, this might be sent to the CVC.

The foundation training course for probationary bank officers and several other cadres, such as scientists, includes a section on preventive vigilance. A module on preventive vigilance is also included in the Mid-Career Training Program for middle level officers

of the organised Group A services under several Ministries of the Government of India. Visits to Excellence Institutes, village visits, and other activities have been added to modulate the conduct of public servants with regard to honesty and openness, as well as to affect attitude change.

### **73 Unity and integrity day**

**Date :- 29<sup>th</sup> October 2022**

**Event :- PPT screening**

**Unity and integrity day**

Sardar Patel, who played a significant part in India's political unity, was born on this day, and it is honoured as his birth day. The National Unity Day "will provide an opportunity to re-affirm the inherent strength and resilience of our nation to endure the real and potential challenges to the unity, integrity, and security of our country," according to the official statement from the Home Ministry of India.

For his ability to lead the nation through the war for independence and beyond, most notably during the federation of the princely states and the India-Pakistan War of 1947, Vallabhbhai Patel was given the title "Sardar" (chief).

#### **Significant**

Sardar Vallabhbhai Patel, a seasoned freedom warrior and the nation's first home minister, is remembered in India on October 31 as National Unity Day for his significant role in persuading many princely states to join the Union of India after Independence. The day is observed as a tribute to the "national unity," for which the nation is eternally thankful to Patel for his significant efforts that led to India's unification. In 2014, the government stated that October 31 would be observed as National Unity Day or Rashtriya Ekta Diwas in honour of Sardar Vallabhbhai Patel.

#### **Background**

Sardar Patel commemorated on October 31 in India. The Indian government first made it available in 2014. India observes National Unity Day on October 31. The Indian government first made it available in 2014. The holiday is observed to commemorate the birthday of Sardar Vallabhai Patel, who was crucial to India's political unification. The Home Ministry of India said in its official statement for National Unity Day that the occasion "will provide a chance to re-affirm the inherent strength and resilience of our nation to endure the real and potential challenges to the unity, integrity, and security of our country.

On this day, a commitment is read aloud in government buildings: I solemnly pledge that I dedicate myself to upholding the nation's unity, integrity, and security, and I also make a strong effort to propagate this message among my fellow citizens. I make this commitment in the spirit of my nation's unification, which was made possible by the

vision. and Sardar Vallabhbhai Patel's deeds. I also firmly swear to do my part to support my nation's internal security.

On the banks of the Narmada river in Vadodara, Gujarat, stands tall The Statue of Togetherness in honour of him as a massive representation of India's unity. In 2018, the statue was unveiled. The 146th anniversary of Vallabhbhai Patel's birth will be commemorated this year.

### **Theme**

Rashtriya Ekta Diwas was established in 2014 in honour of Sardar Vallabhbhai Patel, who served as India's first deputy prime minister after independence.

Patel was a key figure in the independence movement in India and the unification of the country's 560 princely republics.

As the centrepiece of National Bullying Prevention Month, PACER's National Bullying Prevention Center established Unity Day. called for taken was to "Make it end and colour orange. Join Forces Against Bullying" Participants were urged to don orange to support the fight against bullying.

### **Celebration**

Additionally, in honour of the Iron Man of India, the Indian government erected a sizable statue of Sardar Vallabhbhai Patel close to the Narmada River in Gujarat.

"The day will provide an opportunity to re-affirm the inherent strength and resilience of our nation to endure the actual and potential challenges to the unity, integrity, and security of our country," the Home Ministry of India stated in an official statement on National Unity Day.

In 2014, the Indian government declared the day in honour of his birthday to be National Unity Day. relating to Sardar Vallabhbhai Patel Narendra Modi, the Prime Minister of India, unveiled a massive Statue of Unity in Gujarat, close to the renowned Narmada River, for his country's 143rd birthday.

### **Relevance**

Role of sardar patel in unification of India is indeed a remarkable history. He was the one behind the success integrity among the nation's. Sardar patel tried ammu policy to merged those states in India whose Nawab or ruler in favour of their own independent rule.

Hyderabad nizam , kashmir hari singh , manipur are some of the states who were in favour of having independent rule but with the Patel contribution we can see unified ties of states of India.

On the same hand 1962 Indo china war speculation were given by sardar patel already to nehru but sadly that time nehru wanted India chini bhai bhai slogan to be on Focus which later resulted into heavy cost which India have paid as Food scarcity and war consequences.

### REPORT

Christmas shines as the festival of joy and happiness for Christians around the world. On the eve of Christmas our NSS unit went for a visit to old age home. It was indeed it was indeed a great experience. We got to know much more about the society. There was a conversation between one of the volunteer and uncle from old age home which will definitely be the last lesson we've learnt **"MAANA MUSHKIL HOJAATA HAI**

**LEKIN MAT CHHODHNA APNE MAA BAAP KO MUSHKIL HMARE LIYE  
BHI THA PR KABHI HMNE BHI TOU MAHI CHHODHA "**

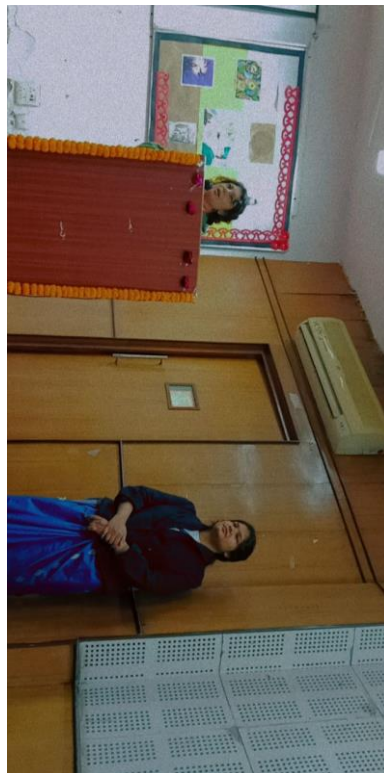

When she said **"ACCHA UNCLE CHALTI HU"**

Uncle replied **"DEKHA TUMNE BHI KAHA CHALTI HU OR PHIR KABHI  
NAHI AATE LOG AISA MAT BOLO. BOLO MILTI HU."** This visit made us very  
emotional.

## REPORT

Nukkad Natak, or street play, is a powerful medium for raising awareness and advocating social change. This report highlights a compelling nukkad natak performance on the sensitive issue of acid attacks, shedding light on the heinous crime and its impact on victims and society. The play aimed to spread awareness, evoke empathy, and inspire action against this grave injustice.

### Themes and Messages:

This nukkad natak aimed to convey several crucial messages:

1. **Raise Awareness:** The performance shed light on the menace of acid attacks, making the audience more aware of the issue and its consequences.
2. **Empathy for Victims:** The play encouraged the audience to empathize with acid attack survivors and understand their struggles.
3. **Women Empowerment:** Women's determination to rise above her tragedy showcased the strength and resilience of women even in the face of adversity.

4. **Responsibility of Society:** The play highlighted the collective responsibility of society to prevent such crimes and support survivors in their journey towards healing and justice.

### **Conclusion:**

The nukkad natak on acid attacks left a profound impact on the audience, evoking strong emotions and initiating discussions about the issue. By combining storytelling with real-life experiences, the play effectively advocated for change, encouraging society to address the root causes of such heinous acts and work towards building a safer and more inclusive environment for all. The power of street theatre in creating social awareness was exemplified through this impactful performance, inspiring the audience to take a stand against acid attacks and support survivors in reclaiming their lives.

**Motive:** Women empowerment encourages girls in the field of education, sports, etc. It creates awareness of their capabilities. Earlier, people used to think that some tasks are difficult for women. Women empowerment activities helps them to do such tasks. Education for women and girls can fix this problem. First, it equips them with more skills and knowledge, thus qualifying them for better jobs. Second, it decreases societal gender stereotypes, which promotes the acceptance of women in higher-earning and decision-making positions. If all women and girls receive a quality education, their employment opportunities will be greatly improved.

- Number of NSS Volunteers attended the event: 35
- ORGANISERS OF THE EVENT: Anshika Gupta and Ritika Tawar (Political science honours 2<sup>nd</sup> year)

### **133 Lippan Art Workshop**

**Date : 19/10/22**

On the Occasion of DU Centenary Celebration Art & Craft Society of Vivekananda college organized Lippan Art Workshop held on 19/10/2022

A wonderful art workshop was conducted under the guidance of society Convener Dr. Shahnaz Begum,

In this workshop around thirty students participated and showed their enthusiasm to create and learn the beautiful art. Lippan Art is an Indian Artform which is being practised in Gujarat. This colorful art is also known as mud art or painting as it was primarily made on mud walls by the Gujarati women.

But with the growing time this art had moulded itself on surfaces such as canvas, mdf board or wooden boards. For the workshop students used mdf board to create this art. The Lippan art finally made by students came out as wonderful art piece. The art was made into vibrant colour and of various shapes and unique designs.

## 142 La Fran-taisie- 2023

The Department of French, Vivekananda College organized a cultural event “La Fran-taisie- 2023” on 29<sup>th</sup> April, 2023 in Sharda Hall, Vivekananda College to celebrate “International Francophonie Day”. Various competitions related to French culture were held to familiarize students of the Department and College with the rich heritage of the language that they are learning and also the culture and civilisation of France. As part of this event, various inter-college competitions were held namely - French singing competition, French poem recitation competition, French quiz and Poster making competition on the topic- “Culture and civilisation of France” and “The Colours of Francophonie”. The competitions were judged by an external judge, Sukham Panesar, Assistant Professor (French) of Jesus and Mary College, University of Delhi. The event witnessed various praise-worthy cultural performances by students of the department of our college and from Jesus and Mary College. The event included other activities also such as a traditional welcome dance on French music by Ms. Mahi of BA(Prog.) Third year. It was a unique sight as it was a blend of the 2 cultures: Indian traditional dance, i.e., Bharatanatyam and French music. There were other dance performances as well by Tusli Gupta and Tamanna Rawat of BA(Prog.) Second year. Manpreet of BA(Prog) Third year also narrated her self-composed poem on the topic “Oh water- my life”. Enactus and Eartha societies of our college along with Breezy Fusions (by students from the department) had set up their stalls. The student volunteers and anchors were- Mehak Malik, Simran Makkar, Samridhi Bhatt, Olivia Sarkar, Tulsi Gupta of BA (Prog.) Second year and Prisha Madhok, Karuna Bhatia, Sneha, Ritu Tomar of BA(Prog.) Third year. The event was attended by approx. 90 participants including teachers and students.

Kasturi Wall Magazine has experienced every moment as a challenge of its twelve years . The reason behind is that at the age in which students use to come across us is the period in which something new usually develops inside them .At this point , Their heart wants to make them fly whereas social barriers usually tries to cease them by giving lectures to control their desires . As a result a different kind of struggle emerges out to be a part of their life . Kasturi is that way by which that struggle of these girls get words.By this wall magazine students not only work on their creative writing skills but also enjoy the formal experiences like editing , coordinating and decoration . Workshops , Competitions , Lectures are being conducted time and again for the sake of enhancing their skills and interests . In this era of machanisation where even books are at online platform , Kasturi is here pledged to keep the fragrance of words by its many trails.

## **146 Inter College Turncoat Debate Competition.**

### **Report**

#### **Title of Event:**

**Date:** 26 September 2022

**Organised by:** Ennoia – The Debating Society of Vivekananda College

**Teacher Co-ordinator:** Dr. Chaandreyi Mukherjee

#### **Summary:**

Ennoia- The Debating Society of Vivekananda College, University of Delhi, organised an Inter College Turncoat Debate Competition conducted on 26 September 2022 from 10 a.m. onwards at Sharda Hall in Vivekananda College. As part of Azaadi ka Amrit Mahotsav, the topic was "Developing Nations Need Strong Dictatorship" and in which participants had to present their views both for and against the topic as per the format of the Turncoat. More than 55 participants had registered and for the competition, 22 students from colleges across University of Delhi were selected. This was a completely new and exciting format where the students had two minutes to frame their points. Then, they were required to speak one minute for and one minute against the motion. Hosted by teacher coordinator Dr. Chaandreyi Mukherjee, the competition was anchored by Nidhi Manuja and Hemayushi Gupta, members of Ennoia. Ms. Deborisha Dutta, Assistant Professor, Faculty of Law, The NorthCap University, Gurgaon and Mr. Abhishek, Assistant Professor, Department of English, Vivekananda College, University of Delhi were the judges of the event. As the judges collated her marks, a short-animated film was shown to keep the audience entertained. Before declaring the result, Ms. Deborisha Dutta addressed the audience with her insights on the theme, suggestions and remarks for the performers. The competition was attended by many students of Vivekananda College and was an enthralling experience for all. The following participants were announced as the top three winners and best interjector and the winners received cash prizes of Rs. 2000/-, Rs. 1500/-, Rs. 1000/-, and Rs. 500/- respectively:

First Prize: Vishalakshi Sharma,

Second Prize: Priya Singh

Third Prize: Pragya Pandey

Best Interjector: Lavisha Bageja

The event ended with congratulatory remarks from the judge, Ms. Dutta and a vote of thanks by Dr. Mukherjee.

##### Report

**Topic: - Green technology and its impact on human and environment**

**Organized by:- ECOCLUB**

**Teacher Convener: Dr Seema Sharma (Dept. of Environment)**

**DATE: - 12, Jan, 2023**

**TIME: - 12:30 P.m.**

The Eco Club of Vivekananda college, University of Delhi on the occasion of Vivekananda Jayanti and Pallavi organized a national level power point competition on the topic: - **Green technology and its impact on human and environment**. Teacher convener of the event was Dr Seema Sharma. All the participants were informed prior about all the rules and regulations of the competition. All participants had to submit their points in the form of ppt and mail it on the official Gmail id of eco club and on the final day they had to explain about their ppt to the judges and audience. The judges for the event were Mr. Subhash Dhingra and Ms. Shikha Garg. The number of participants were quite good. All the participants receive certification. Price money was also given to the first three position holders. Priyanshi won the first position. Second was Sanjivani and third was Sneha Tyagi.

An interesting game stall was also set up by the eco club on the occasion of Pallavi. The game name was pick and drop. Most of the Professors and students took part in the fun game. Side by side all cultural committee programs and competitions were also going on. It was a full two daylong Celebration. In the game one person has to differentiate between Plastic cups and paper cups. The main purpose of the game

was to aware people about the bad and harmful effects of plastic for us and for our planet. The day ended with happiness and a lot of happy memories.

### Report

Nss unit of Vivekananda college organised an online campaign by spreading awareness through video.

We received multiples entries from the students, it was conducted on 28 October where students have been shared their video by spreading awareness to local people for using paper bag rather

polythene bags , they spread awareness by cleanliness themselves and spreading posters in their surrounding related to protect environment.

Cleanliness is a core element of individual life and in order to highlight importance of cleanliness we organised this online campaign where students sent us the video by doing plantations , cleanliness in park , and spreading awareness.

The objective of event got successful with the students entries and their participation and contribution

HOW CAN YOU HELP TO REDUCE WASTE?

You can buy packaging that can be used more than once.

You can buy in bulk.

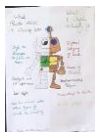

You can choose products that have less packaging.

You can eat more fresh fruit and vegetables.

You can take your own produce bags and green bags to supermarket.
