Report: This is a report of organising Anti Tobacco Event with NSS volunteers of Vivekananda College, Delhi University. Organizing the anti-Tobacco Day Nukkad Natak was a memorable experience for me. I was part of a social group determined to spread awareness about the harmful effects of tobacco and help people quit this addiction. We decided to stage a street play, or Nukkad Natak, as it is a powerful medium to connect with people and convey important messages. Firstly, we gathered a team of enthusiastic individuals who were passionate about making a difference. We then scouted for a suitable location, and with proper permissions, organizing the anti-Tobacco Day Nukkad Natak as a great success. We believed that we had managed to reach out to a significant number of people, educating them about the dangers of tobacco and motivating them to make positive changes in their lives. It was a fulfilling experience to witness the impact of our efforts in raising awareness and potentially saving lives.
