13. Mukteshwar's Educational Journey (Educational Trip), Date – 21.03.2022**Mukteshwar's Educational Journey: Report**

On March 21, 2022, under the patronage of Dr. Mukesh Burnwal, the head of the department, the students of the department went for an educational tour in Mukteshwar, Kumaon region of Uttarakhand. There were 43 students and 4 teachers on this journey. Before reaching Mukteshwar, all went to the famous lakes of the Kumaon region, Bhimtal, and Naukuchiatal, and enjoyed the natural mountain beauty scattered all around. In Mukteshwar too, everyone not only enjoyed the natural beauty of the hill village but also went to the houses there and observed the living, eating, and drinking tradition, and the difficult situation there. In the morning, when the people of the metropolis usually do not even wake up, then the students and teachers living in the metropolis were happy to see the immense beauty of the sunrise from across the mountains. Apart from this, a one-day Kumauni song and dance was also organized with a group of women in which all the students participated with enthusiasm.

The Department of French, Vivekananda College organised a cultural event as part of “Pallavi Fest 2022”. Various competitions related to French culture were held to familiarise students of the Department and College with the rich heritage of the language that they are learning and also the culture and civilisation of France. The competitions were namely -French singing competition, French poem recitation competition and and Poster making competition on the topic- “Culture and civilisation of France”. The competitions were judged by an external judge, Sukham Panesar, Assistant Professor(French) of Jesus and Mary College, University of Delhi. The 3 best entries in all three competitions were awarded and their entries in form of audio and video recordings were shown on the day of the event. The event included other activities also such as a traditional welcome dance on French music. It was a unique sight as it was a blend of the 2 cultures: Indian traditional dance, i.e., Bharatanatyam and French music. This was followed by depiction of winning entries. There were other dance performances as well. A student also depicted the story of “The ant and the grasshopper” by Jean de la Fontaine through a time-lapse video of her art work. The event was attended by approximately 38 participants including teachers and students.
