#### Report

A webinar on "How to do well in Personal Interview" on 5th March 2021 was conducted by T.I.M.E. Education by Mr. Sunil Dua. The webinar was attended by 38 students of final year commerce students. The motive of the webinar was to confront the students with the different stages of interview. The session started by asking and explaining the basic idea of interview. The session proceeds with discussion on different stages on Personal interviews. Mr. Sunil Dua explained students how to prepare for the interviews by conducting mock interview session. He gave a checklist of do's and don'ts of answers of various questions asked during a personal interview. He emphasized on the fact that discussing about salary should be avoided as it creates bad impression on the interviewer. The session was very well conducted by the speaker.

**2021-22****5. Workshop on CV writing.****Date: 15 March 2022****Time : 5:00-6:00 PM****Venue: <https://meet.google.com/tnq-jmsg-rwm>**

A workshop on 'CV Writing' was conducted by Mr. Sunil Dua, Senior Regional Head of T.I.M.E. He has more than 30 years of teaching experience and working as Regional Head, T.I.M.E. The lecture was organised by the Placement and Career Counselling committee Convenor, Dr. Veena Jain and committee member, Ms. Vishakha Jain and Mr. Rocky on 15<sup>th</sup> March 2022. It was attended by 116 students and 04 teachers. Mr. Dua began with informing the students about the differences between CV writing, Resume writing and Bio-data writing. Subsequently he spoke about the purpose of CV writing and elaborated on points that need to be focussed on by students while drafting a CV namely – making it short, crisp, specifying educational qualifications, experience gained in college, outlining career objectives keeping in mind the company to which one is applying. Any Project work or internship or research work that one has undertaken or even cultural activities that a student has participated in should also be highlighted suitably. He also emphasized on the need to mention how one would go about achieving the objectives of that particular company and at the same highlight one's competencies and skill set that would aid in that direction. He also imparted formatting tips such as necessity of proof reading, using justified alignment etc. since he felt that making a good presentation of one self through one's application before a prospective employer is also essential. Subsequently the floor was opened for Q and A. A few students had queries related to this theme and these were satisfactorily answered by the speaker. The event concluded with a vote of thanks to the Speaker and the entire T.I.M.E team.
