

## **Capability and Skills enhancement programs**

1. To develop mathematical skills, Department of Mathematics organised a Webinar on “Percentage” (for the students by the students) on 16<sup>th</sup> Feb, 2021
2. Another webinar focussing on mathematical skills was conducted by the Department of Mathematics. The department organized a quiz on Vedic Maths as part of our college fest “PALLAVI 2021.
3. Intrapersonal skills focus on understanding oneself. In this context Department of Political Science, Vivekananda College organised an interactive webinar on the topic “Discover Yourself : Insights of Vivekananda ” on 13<sup>th</sup> October 2020. The speaker, Acharaya Harish, highlighted various relevant learning from the life of Vivekananda and narrated various life incidents of Vivekananda life. The emphasis of the webinar was to inculcate qualities in personal and professional life based on the learning from Vivekananda life and philosophy.
4. An 11-days workshop of “Computer Fundamentals” was organized by the Skill Enhancement Committee, Vivekananda College from 17<sup>th</sup> Mar till 16<sup>th</sup> Apr, 2021 by the Students of the College. The aim of the workshop was to impart basic computer knowledge among the students that would help them in their everyday life. The workshop comprised of four modules: MS Word, MS Excel, MS PowerPoint and Internet Basics.
5. A 3-day webinar series to impart mathematical skills on “Ratio and Proportion and Simplification” was organized by the Skill Enhancement Committee, from 9<sup>th</sup> March till 14<sup>th</sup> March, 2021 by the Students of the College. The aim of the series was to impart basic mathematical skills and techniques among the students that would help them in their competitive exams for further study or for their jobs. The workshop comprised of three webinars: Ratio and Proportion, Ratio and Proportion, and Simplification.
6. Mentoring skills have become very important in today’s world. A webinar of the Mentoring committee on the topic “An interactive discussion on mentoring” was held on 16<sup>th</sup> April 2021.
7. Skills required for Green Auditing and related ideas were discussed in a webinar entitled “Environment and Urban Ecosystem: From Individual to Ecological” on 30<sup>th</sup> September 2020.

8. Leadership skills were the focus of the webinar on ‘Shaping the Future Women Leaders’ as part of series on women Empowerment which was organized on April 30, 2021 by IQAC team of VNC.
9. The Internal Quality Assurance Cell of Vivekananda College organised a webinar on “Her Healthcare: Demystifying Women’s Health and Hygiene” as part of a series on Women Empowerment on 11 May 2021.
10. Coping skills are essential in today’s stressful world. A webinar entitled Avenues For Women in Academia: A Step Towards De-stressing the Academic Distress was organised as a part of the “Women Empowerment Webinar Series” by the IQAC committee of Vivekananda College.
11. A webinar focusing on entrepreneurship skills entitled ‘Women Entrepreneurs: Breaking the Gender Stereotypes’ was organized by IQAC on May 28, 2021
12. Webinar on Intellectual Property Rights (IPR) was organized by IQAC. The various type of IPR and their applicability to business were discussed in detail along with examples from the real world.
13. A webinar on “Employability Skills for Future” was organized by the Internal Quality Assurance Cell (IQAC) and Department of Commerce, Vivekananda College in collaboration with Catch a Cloud LLP on 13<sup>th</sup> July 2021. The webinar was started with the presentation on introduction of AMCAT, why it is required, why companies are recruiting candidates based on AMCAT and how this can help students in getting placements and internships. The main purpose of this test is to analyze each student on their cognitive skills, communication skills, behavioral aspects and functional skills. Based on which each student will be provided individual assessment report which will highlight their positive and negative points which they can improve and then be used for getting placements in reputed companies.
14. Language skills are very important. Knowing diverse languages is a big advantage in the globalized world. The Department of French organised various competitions related to French culture to familiarise students of the Department and College with the rich heritage of the language that they are learning and also the culture and civilisation of France. A poem competition in French was organized.

15. French singing is another activity that enhances French speaking skills in students. The Department of French, Vivekananda College organised this as part of a cultural event as part of Pallavi Fest 2021.
16. In celebration of National Annual Fest, Pallavi, 2021, a virtual Poetry Slam Competition was organised by the Department of English, Vivekananda College on 9<sup>th</sup> April, 2021. The theme of the competition was “Celebrating 75 years of Independence”. The aim was to encourage inter-college communication, expression and creativity amidst the devastating effects of pandemic.
17. Department of Food Technology, Vivekananda College celebrated PoshanMaah September 2020 by organizing the following events virtually: Recipe Competition “Fermented Snack for Kindergarten Child” and “Nutrition Report Card Activity”.
18. Department of Hindi, Vivekananda College Started Hindi Patrakarita Certificate Course in the month of March 2021. Total 11 students enrolled for this certificate course.
