

# Feedback Survey Report (2021-2022)

## Objective:

Vivekananda College is a constituent part of the University of Delhi. The college had been accredited with "A" grade in the first cycle of NAAC accreditation. It was setup in 1970 in Gandhi Nagar by the Delhi Administration (now the govt. of NCT of Delhi) from the grants received by the UGC and Delhi Administration with an objective to provide opportunities for higher education to women in the Trans-Yamuna area. The college now attracts students from all across the country to study various undergraduate level and postgraduate (currently Hindi and Sanskrit) level programs. We aim for excellence in academics, co-curricular activities, and an overall growth of our students.

The IQAC committee of the college makes consistent efforts in order to ensure quality measures are promoted and adopted in all the domains of the institution. For the said purpose, the IQAC encourages the students, faculty members, and different stakeholders for participating in various activities/programs and also undertakes many such initiatives with the same enthusiasm. In addition, it also takes regular feedback from alumni, students, and teachers to ensure improvements wherever required and conducts surveys in order to assess the overall performance in the given academic year. This report will analyse the feedback received from students, alumni and teachers in a detailed manner, starting from the objective of the survey, highlighting the research methodology used, illustrative analysis, and findings of the survey.

## Research Method:

A feedback survey form was created by the IQAC committee; it was taken in a multiple choice question format via Google form. The form was circulated amongst students (undergraduate and postgraduate level), alumni and teachers across all disciplines offered by the college. To ensure unbiased and honest feedback, the names of the respondents were kept confidential.

## Overall Sample Size:

In the year 2021-2022 total number of students (UG+PG) enrolled in the college is 2463. In total 747 responses were received from students, alumni and teachers of the college.
