Each group was asked to prepare one tricolored dish, either a snack or a beverage using natural colours. All the recipes were prepared in the food technology lab and 2 hours were given to each group for preparing and presenting their recipes. All recipes were prepared under the guidance of the respective teachers Mrs. Purnima Vir (TIC), Dr. Sukhneet Suri and Dr. Arushi Jain (Teacher Coordinator). Around 30 students participated in the competition. Students prepared several unique and interesting tricolored recipes such as tricolor spring rolls, *raj kachori*, *jalebi wala*, momos, *shahi tukda*, *kaju* sweet, *dhokla*, fruit trifle etc.

JANUARY 2019-APRIL 2019

On 6th February 2019 Department had organized a lecture by Pshephologist Mr. Ashish Ranjan on the topic "Role of Regional Parties in 2019 Elections". It was a bilingual and interactive lecture. Ashish used various electoral and voting data to present an argument that since 1998 Regional Parties in India have contributed immensely in the formation of National Governments. He also highlighted the necessity of data for academic references. He argued that idea of social justice, rise of ethnic divide, and linguistic demands are three crucial factors in emergence of regional parties. He further argued that even in 2019 elections, regional parties can contribute in an important way. The session was highly interactive as students asked various important questions regarding 2019 election.

On 7<sup>th</sup> March 2019, The Department had organized another event named "APARAJITA". This was a one-day event. It started with Inter-College Poetry Competition on women issues. This competition was judged by Dr. Sujata Tevatiya of Shyam Lal College, Delhi University. Dr. Sujata gave an insightful session on how to write poetry.
