On March 21, 2022, under the patronage of Dr. Mukesh Burnwal, the head of the department, the students of the department went for an educational tour in Mukteshwar, Kumaon region of Uttarakhand. There were 43 students and 4 teachers on this journey. In Mukteshwar too, everyone not only enjoyed the natural beauty of the hill village but also went to the houses there and observed the living, eating, and drinking tradition, and the difficult situation there. In the morning, when the people of the metropolis usually do not even wake up, then the students and teachers living in the metropolis were happy to see the immense beauty of the sunrise from across the mountains. Apart from this, a one-day Kumauni song and dance was also organized with a group of women in which all the students participated with enthusiasm.
